Jack Bautista, San Fernando Valley Soccer Officials assignor. Mr. Bautista spoke against the official's fees proposal and asked the Council to vote "no" on SS 636. 3. ACTION ITEMS (Cont.)

B. SOUTHERN SECTION ACTION ITEMS (Cont.)

2. CIF Southern Section Executive Committee Nominations (Cont.)

Citrus Belt Area Representative nominees are Mr. Darel Hanson, Principal, Riverside Poly High School and Mr. Kai Lyles, Athletic Director, Desert Hot Springs High School. Only members of the Citrus Belt Area are allowed to cast a vote for this position.

Mt. SAC Area Representative nominees are Mr. Mitch Brunyer, Principal, Rowland High School and Monica Principe, Director of Secondary Education, Pomona Unified School District. Only members of the Mt. SAC Area are allowed to cast a vote for this position.

Mr. Mitch Brunyer received 5 votes, Mrs. Monica Principe received 2 votes.

3. Proposed Revision to Bylaw 510.1 Action SS 632

President Mike West reviewed Action item SS 632 which was authored by the Private / Public Committee. This proposal would remove the bylaw limiting incoming 9th grade students who have participated in club/travel programs coached by high school coaches to enrollment in the public-school attendance area they live in. The proposal will allow students and families to freely choose a youth program, club, etc. they wish to participate in regardless of the coaching staffs' affiliation with a high school.

There was a motion by the Skyline League and a second by the Southwestern League to approve the motion as written. There being no discussion, the motion passed as written.

Motion Passed: 77-9-1

4. Officials Fees Proposal Action SS 636

President Mike West reviewed Action item SS 636 and asked the Officials Fees and Relations Committee Chair, Mr. Brice Sunderland, to step forward and answer any questions regarding the proposal. President West explained that this agreement looked to dramatically increase officials' fees across the board and move in a direction that tied compensation to the amount of time spent on campus for an official.

There was a motion by the Big VIII League and a second by the Surf League to approve the motion as written.

Discussion:

The Mulholland League asked for a current breakdown of officials' fees. President West explained that the full current rates and purposed rates over the next three years are contained in the supporting documents.

The Southwestern League asked what happened to the sports that were already receiving more than the purposed rate of \$35 / hour. The Official's Fees Committee Chair, Mr. Brice Sunderland, explained that no official would see their current rate decreased with this new agreement.

| 4. Officials Fees Proposal | Action | SS 636 |
|----------------------------|--------|--------|

The Marmonte League asked the question: "When was the full proposal and supporting documents released so the leagues could review the information?" Commissioner Wigod explained that the proposal was sent out to all Council League Representatives on January 26, 2022 prior to the February 1, 2022 CIF Southern Section Council meeting. During the February 1, 2022 CIF Southern Section Council meeting, held electronically via Microsoft Teams, there were small group breakout sessions so Council members could ask questions or get clarifications on SS 636 and report that information back to their respective leagues.

Motion Passed: 68-18-1

- | | | |
|---|--------|--------|
| 5. Proposed Revisions to Bylaws 3419.7 & 3420.3 | Action | SS 637 |
|---|--------|--------|

President Mike West presented and reviewed the details of SS 637. This proposal would align 8-Man Football with the current competitive equity-based system of 11-Man Football playoff divisions. 8-Man Football playoff divisions are currently based on school enrollment and this proposal would now place teams in a respective division based on current year (regular season) data at the conclusion of the season.

There was a motion by the Trinity League and a second by the Tri-Valley League to approve the motion as written. There being no discussion, the motion passed as written.

Motion Passed: 78-1-8

- | | | |
|-------------------------------------|--------|--------|
| 6. Proposed Revisions to Bylaw 2415 | Action | SS 639 |
|-------------------------------------|--------|--------|

President Mike West reviewed the details of SS 639. The proposal calls to align Girls Lacrosse with Boys and Girls Soccer regarding the issuing of two yellow cards during a contest. Currently in the sport of Girls Lacrosse, two yellow cards received by the same player warrants removal (ejection) from the current contest. CIF Southern Section Bylaw 1224 calls for the player to receive a subsequent game suspension due to the ejection from the last contest. The Girls Lacrosse Advisory Committee is proposing that when a player receives two yellow cards during a contest they are simply "fouling out" of that contest and they are not ejected. If they are not ejected, then they are not required to serve a subsequent game suspension. No Ejection Report would be filed by the game officials. The USA Lacrosse/ NFHS Rule Book has two clear definitions for what is a suspension penalty (yellow card) and what is an ejection (red card) so officials can clearly decide what needs to be reported and what does not.

There was a motion by the San Gabriel League and a second by the Suburban League to approve the motion as written. There being no discussion, the motion passed as written.

Motion Passed: 81-0-6

4. NON-ACTION ITEMS

DISPOSITION

ITEM

A. STATE FEDERATED COUNCIL NON-ACTION ITEMS

There are no CIF State Federated Council non-action items at this time.

B. SOUTHERN SECTION NON-ACTION ITEMS**1. Proposed Addition of Girls Flag Football**

Non-Action

SS 638

Dr. Paula Rodas presented the proposal to the Council explaining that the sport will take place in the Fall season which will make it is more accessible to member schools and this aligns the sport with other schools within the State. Mr. Hartman from the Los Angeles Chargers expressed to the Council that they are available to assist with growth and sponsorship.

Discussion:

The San Andreas League asked about when would the season of sport take place if the proposal does not pass as a Fall sport? Dr. Rodas and Mr. Hartman explained that the plan would be to have the season in the late Fall / early Winter. The San Andreas League also asked who will be available to officiate these flag football contests? Dr. Rodas responded that they will continue to use 7 on 7 and flag football officials so it would not impact the use of 11-Man Football officials.

5. REPORTS**A. Financial Report**

Mitch Carty

Mr. Mitch Carty reviewed and highlighted the Fall and Winter Sports playoff revenue. During the Fall Season the CIF Southern Section had a ticket sales revenue of \$1,143,265.85. This was an increase of \$256,975.00 compared to the 2019-2020 school year. During the Winter Season the CIF Southern Section had a ticket sales revenue of \$480,519.79. This was an increase of \$62,255.03 compared to the 2019-2020 school year. Other highlights mentioned was the 100% use of digital tickets via GoFan. The digital ticketing process now allows for a much more streamlined financial completion for each season that takes less than 1 month. Mr. Carty also reviewed that over \$1,000,000 has been sent back to schools in profit splits and honorariums to host schools in non-revenue sports. Finally, as of today, the net income in ticket revenue was \$1,371,274.00. This income revenue is similar to the 2014-2015 school year which resulted in a membership dues refund.

B. Treasurer's Report

Chris Calderwood

Mr. Calderwood reminded the Council that PPP loan #1 was submitted for forgiveness and approved. Currently PPP loan #2 has submitted for forgiveness as of March, 2022 and we are awaiting that decision.

C. President's Report

Mike West

President West gave his final address as Southern Section Council President and expressed his tremendous amount of pride by the member schools and support they have shown him during his presidency. President West has been very honored to serve as Southern Section President, especially during the COVID pandemic, and he takes pride in knowing that as he steps down the Southern Section is in great hands going forward.

First Reading
Second Reading (Season moved to Fall)
Action Item
First Reading

Next: CIF Federated Council First Reading item if passed by CIF/Southern Section Council on September 29, 2022.

Type: New CIF Sanctioned Sport; Bylaw Addition and Revision

Summary: A proposal has been forwarded from the CIF/Southern Section to add the sport of flag football as a CIF sanctioned sport for girls. This first reading is pending passage of this item by the CIF/Southern Section Council at their September 29, 2022 meeting. If not passed by the CIF/Southern Section Council, this item will be removed from this agenda.

The proposal would add Flag Football to the list of approved sports in CIF Bylaw 1200, revise Article 60 and Bylaw 2100.

Fiscal Impact: There is no fiscal impact to the CIF at this time as it is not being proposed as a championship event. There, of course, would be costs involved for CIF member schools choosing to offer this as a sport.

Background: One of the CIF goals is to increase participation opportunities for girls in order to close the gap between the number of girls and boys participants. Currently there are girls flag football programs at over 100 CIF member schools with over 1,300 girls participating in those programs. In addition, there are five states that offer the sport for girls.

Talking Points: Additional opportunity for girls to participate in education-based athletics; inexpensive sport with respect to equipment and uniforms; In May of 2020, the NAIA added women's flag football as a competitive collegiate sport starting in Spring of 2021.

Forward to Federated Council

Type: Constitutional Amendment (Requires a two-thirds vote of the Federated Council)

Summary: This Constitutional Amendment would require CIF member schools to complete the participation census each year and identifies sanctions when schools fail to do so. If passed, this Amendment would be implemented immediately.

Fiscal Impact: None**Background:**

Approximately 10-12% of CIF member schools fail to submit the census on a yearly basis. This results in a negative impact on the overall reporting of participation numbers and other data related to member schools of the CIF. It is also California law (Education Code Section 221.9) that schools offering competitive interscholastic athletics report on their school website (or district website if no school site exists) information about boys' and girls' athletic participation by the end of each school year.

22. MEMBERSHIP/CONDITIONS OF MEMBERSHIP

- A. Membership in the California Interscholastic Federation shall be open to public, charter and private high schools of the State of California. The CIF Section in which the school is located may grant membership according to the Section's policies and procedures.
- B. As a condition of membership and continuing membership a member school agrees to:
- (1) Request to join the CIF State and the CIF Section at a public meeting of the local school board or board of directors;
 - (2) To abide by all current rules and regulations of the CIF State and CIF Section;
 - (3) To ensure that the local school board or board of directors will adopt the 16 Principles of Pursuing Victory with Honorsm by a board resolution;
 - (4) Accept as a member school the responsibility to educate student-athletes, coaches, parent(s)/guardian(s)/caregiver and other appropriate persons on the CIF State and CIF Section Constitution and Bylaws, Policies and Procedures adopted by the governing body;
 - (5) Ensure that the administrative decisions of the Federated Council, Executive Committee, Executive Director, Section Board of Managers, Section Commissioner and all state and sectional appeal decisions shall be accepted in good faith by all member schools. The principal of any member school, who, by any act or attitude, shall refuse to accept, or shall hold in contempt or derision, or shall permit or acquiesce in such contempt or derision on the part of any group of individuals associated with his/her school, shall subject his/her school to possible sanctions, suspension and/or expulsion from the Section and/or State membership. These provisions are not to be construed as preventing the principal of a member school from exercising his/her school's right to due process;
 - (6) Abide by all decisions made by the CIF governing body having jurisdiction in the matter. If a member school, or that school's governing body files suit in a court of law against the CIF and/or one of its Sections and the CIF and/or its Section prevails, the member school shall reimburse the CIF and/or its Section for all legal fees and reasonable expenses incurred by the CIF and/or its Section in connection with the suit to remain a member in good standing;
 - (7) Ensure that CIF member schools will not accept monies, equipment or apparel specific to, or distributed to, individual athlete(s) within that program. All gifts are school property (as per the Education Code/Board Policy) and may not be given to any individual athlete(s). School/school districts should ensure such gifts are distributed equitably. Gifts supporting travel to athletic competitions must be devoted only to reasonable costs of travel, lodging and food and distributed through the school district, ASB or governing board according to Bylaw 805;
 - (8) Monitor its athletic program and to self-report to the appropriate governing body any violations of State and Section Bylaws as soon as the school is aware of possible violations. This responsibility extends to all administrators and coaches at the school. Each member school is responsible for the conduct of its administrators, coaches, athletes, students and parent(s)/guardian(s)/caregiver and for any knowledge possessed by its administrators;
 - (9) Ensure that all coaches, paid and unpaid, will have completed a coaching education program that emphasizes the following components:
 - a. Development of coaching philosophies consistent with school, school district and school board goals;
 - b. Sport psychology: emphasizing communication; reinforcement of young people's efforts; effective delivery of coaching regarding technique and motivation of the student-athlete;
 - c. Sport pedagogy: how young athletes learn and how to teach sport skills;
 - d. Sport physiology: principles of training; fitness for sport; development of a training program; nutrition for athletes; and the harmful effects associated with the use of steroids and performance-enhancing dietary supplements by adolescents;
 - e. Sport management: team management; risk management; and working within the context of an entire school program;
 - f. Training: certification in CPR and First Aid, that includes training in signs and symptoms of concussions, sudden cardiac arrest (SCA), and heat illness;
(Revised January 2015 Federated Council/Revised February 2019 Federated Council)
- Q: When does the training certifications in the items listed in 22.B (9).f. need to be renewed?*
A: Certification needs to be updated each time CPR and First Aid training is renewed.
(Editorial May 2019)
- g. Knowledge of, and adherence to, statewide rules and regulations; as well as school regulations including, but not necessarily limited to, eligibility, gender equity and discrimination;
 - h. Sound planning and goal setting; AND
 - i. A school/district may use a coach that does not meet these standards for one (1) sports season in an emergency. The coach must still hold a CPR, First Aid, Concussion, Sudden

Cardiac Arrest, and Heat Illness certification as required under Title V. However, that person may not coach another season of sport without fulfilling this coaching education requirement. Any currently employed coach who has completed and passed a prior version of a coaching education program that meets the above listed criteria, as determined by the local administration, is exempt from this provision. The above certification is transferable between/among CIF member schools. Coaches may need to complete additional local school or school district requirements.

NOTE: Definition of a coach, paid or unpaid: Any individual that the school/district is required to approve under Title V, California Code of Regulations, Section 5593 and 5594 and/or under California Education Code 35179-35179.7, 49032 and 45125.01-45125.1.

(Revised January 2015 Federated Council/Revised February 2019 Federated Council)

- j. A school shall ensure that there is a written emergency action plan in place that describes the location and procedures to be followed in the event of Sudden Cardiac Arrest and other medical emergencies related to the athletic program's activities or events.

(Approved April 2019 Federated Council)

- k. The school shall have at least one automated external defibrillator (AED) for the purpose of rendering emergency care or treatment. The school shall ensure that the AED or AEDs are available to athletic trainers, coaches and authorized personnel at these activities or events.

(Approved April 2019 Federated Council)

- (10) Remit any approved State or Section school dues and assessments on time;
- (11) Abide by any additional requirements of the Section; AND
- (12) An athletic director, sports coach, school official or employee or booster club/support group member may provide only non-muscle building nutritional supplements to a student-athlete at any time for the purpose of providing additional calories and electrolytes. A school may only accept an advertisement, sponsorship or donation from a supplement manufacturer that offers only non-muscle building nutritional supplements. A school may not accept an advertisement sponsorship or donation from a distributor of a dietary supplement whose name appears on the label. Permissible non-muscle building nutritional supplements are identified according to the following classes: carbohydrate/electrolyte drinks, energy bars, carbohydrate boosters and vitamins and minerals.
- (13) **By the first Friday in April of each school year, member schools are required to submit to the State CIF their CIF Participation Census. If after a reasonable number of requests from the CIF State and/or Section offices, a school continues to be delinquent with submission of its CIF Participation Census after May 15, the school will be immediately notified that its CIF membership will be suspended effective June 15. Reinstatement of membership will be made upon receipt of the completed CIF Participation Census. Reinstated schools will not be allowed to host any Regional or State playoff contest in any sport for a period of one (1) year from the time of sanction.**

C. **Enforcement**

- (1) The Executive Director and/or Executive Committee or Section Commissioner and/or Section Board of Managers shall have power to suspend, to fine or otherwise penalize any member school for the violation of any CIF or Section rules and regulations or for just cause. The period of suspension or other penalty shall be left to the discretion of the CIF governing body that has jurisdiction of the matter where the penalty is not fixed.
- (2) The Executive Director or Section Commissioner shall, at his/her discretion, determine whether information about any possible violation of the CIF or Section Constitution or Bylaws is sufficiently reliable to justify further investigation. The Executive Director or Section Commissioner shall also, at his/her discretion; determine whether to conduct any investigation of possible violations of the Constitution or Bylaws as well as the nature and extent of any investigation that may be conducted and the procedures to be used in any such investigation. Factors to be considered by the Executive Director or Section Commissioner in making these determinations may include, but are not limited to:
 - a. The seriousness of the alleged violation;
 - b. Any other factor the Executive Director or Section Commissioner may deem relevant in making these decisions.
- (3) A violation of the CIF or Section Constitution or Bylaws will not result in any investigation or penalty if it is inadvertent and the school first learns of and reports the violation after the conclusion of the following year's playoffs in the sport in which the violation occurred. If it is determined that a school or any of its administrators or coaches had knowledge of a violation or possible violation of the CIF or Section Constitution or Bylaws and failed to promptly self-report as

it is required to do as a condition of membership, or that a delay in self-reporting occurred as a result of a failure by the school to properly monitor its athletic program as required as a condition of membership, the provisions of this section shall not apply. In any such case, a violation may be investigated and penalties may be implemented regardless of when the violation occurred.

- (4) Any school under suspension, if it has restricted its athletic program to intramural athletics for the period of suspension, may be reinstated by the CIF Executive Committee or Section Board of Managers upon application made in writing 20 days in advance of the time it desires to be reinstated, to the Executive Director or Section Commissioner by the principal of the school and by the Board of Education under which the school operates. The Executive Director or Section Commissioner shall present the application of the suspended school to the appropriate Board for its consideration. The principal and the board of education shall agree, in writing, that the school will abide by all rules of the CIF and/or Section in the future. The principal and each member of the Board of Education shall sign the statement.

Proposed language:

“In all basketball games played between member schools of the CIF Southern Section,
The host team shall wear ~~white~~ **dark** colored jerseys.”

The Official's Fees/Relations Committee and the CIF Southern Section Council approved a comprehensive Officials Fees package for the 2022-23, 2023-24 and 2024-25 school years in April, 2022. In that package, Varsity officials in all sports will be paid \$35.00 an hour. This proposal adds the sport of Beach Volleyball to that package. For the sport of Beach Volleyball, the match official will be referred to as a "monitor".

The minimum amount of time a monitor could be requested for a dual head-to-head competition is 2 hours. This would cover 1 hour of pre-match time and 1 hour of match time if the schools have access to 5 courts and played all 5 pairs at one time, then that match should take 1 hour. If a more realistic time is 2.5 hours, then the rate would be \$87.50. The rate then goes up an additional \$17.50 for each 30 minutes after that. This should help the officials for those matches that only use 2 courts or 3 courts at a time.

An Athletic Director, when they request a monitor, simply needs to inform their assignor that they are using X number of courts and the anticipated amount of time will be X hours. The assignor then assigns the monitor at the hours requested by the host school Athletic Director.

If the monitor for the Varsity match is also assigned to the Junior Varsity match on the same date, time and location, then the opportunity to receive both amounts would be standard. This would bring the base rate for both levels to a total of \$130.00 minimum. For example...

- Varsity – 2 hours at \$35.00 an hour = \$70.00
- Junior Varsity – 2 hours at \$30.00 an hour = \$60.00
- Total for both matches on the same date, time and location = \$130.00

Finally, once we get to the end of the regular season and enter the CIF Southern Section Beach Volleyball Team Championships, playoff rates will be \$40.00 an hour with the 2-hour minimum requirement for a total of \$80.00 for the playoff match. If more time is needed, then each additional 30 minutes will increase the rate by \$20.00.

During the CIF Southern Section Beach Volleyball Team Championships, a monitor will be required for all matches in all rounds.

Re: Ratification of Executive Committee Action as per Bylaw 1108

Proposal Originated: Executive Committee

Proposal Reviewed

08/31/2022 - Executive Committee

Proposal Recommendation

Action Item - Approved Unanimously

Type: Bylaw Amendment (Requires a two-thirds vote of the Federated Council)

Summary: The Executive Committee took action as allowed under Bylaw 1108 (see below) to revise Bylaw 210 - Physical Assault of a Game or Event Official. This action created Bylaw 210.C. which provides sanctions for spectators who physically assault the person of a game or event official.

CIF Bylaw 1108.B. - Delegated Powers states that between meetings of the Federated Council, the Executive Committee shall be empowered to act for the Federated Council when necessary. This action will be subject to the approval of the Federated Council at its next meeting.

Fiscal Impact: None

Background:

Currently, Bylaw 210 - Physical Assault, contains policy regarding the assault of a game or event official by a student or coach. However, there is no policy if the assault is perpetrated by a spectator. Given the decline in numbers of sports officials and the continuing poor treatment of officials by spectators, the Executive Committee deemed it necessary to take action regarding this issue.

210. **PHYSICAL ASSAULT OF A GAME OR EVENT OFFICIAL**

A. **Student**

Any student who physically assaults the person of a game or event official shall be banned from interscholastic athletics for the remainder of the student's eligibility. A game or event official is defined as a referee, umpire or any other official assigned to interpret or enforce rules of competition at an event or contest. A student may, after a lapse of 18 calendar months from the date of incident, apply for reinstatement of eligibility to the CIF State Executive Director.

B. **Coach**

Any coach who physically assaults the person of a game or event official shall be considered to have violated Bylaw 22 (Conditions of Membership) and, pending action by the building principal, subjects the member school to sanctions or loss of standing as a member. When a coach allegedly assaults a person of a game or event official it is mandatory that the principal/designee notify the CIF Section Office within 48 hours (excluding holidays and weekends) after the receipt of the assault report notification. The competing schools and officials will be required to file written reports within 10 days of the incident. After reviewing the material, the principal of the school involved will be required to respond to the respective CIF Section Office concerning his/her investigation of the incident.

C. **Spectator**

Any spectator who physically assaults the person of a game or event official immediately prior to, during, or immediately following an interscholastic athletic contest shall be permanently banned from attending interscholastic athletic contests. A game or event official is defined as a referee, umpire or any other official assigned to interpret or enforce rules of competition at an event or contest. School administration and/or athletic staff shall immediately notify their local CIF Section Office and CIF State Office whenever the school has knowledge of an assault on a game official associated with an interscholastic event in which their school participated or of an assault occurring on their school's grounds associated with an interscholastic athletic contest.

NOTE #1: Definition of a Physical Assault: A physical assault is the intentional infliction of or an attempt to inflict a harmful or offensive touching or contact upon the person of an official. Note that the rule is violated even if no contact is made with the person of an official. Such conduct shall include verbal threats and/or intimidation either or before, during or after the contest. All that is required is the "attempt." However, the act constituting the attempt must be accompanied by a specific intent, which may be inferred from the circumstances and nature of the act, to inflict a harmful or offensive touching contact of the official's person.

NOTE #2: A person assaulting a sports official may also be subject to California Penal Code 243.8 which states the following:

(a) When a battery is committed against a sports official immediately prior to, during, or immediately following an interscholastic, intercollegiate, or any other organized amateur or professional athletic contest in which the sports official is participating, and the person who commits the offense knows or reasonably should know that the victim is engaged in the performance of his or her duties, the offense shall be punishable by a fine not exceeding two thousand dollars (\$2,000), or by imprisonment in the county jail not exceeding one year, or by both that fine and imprisonment.

(b) For purposes of this section, "sports official" means any individual who serves as a referee, umpire, linesman, or who serves in a similar capacity but may be known by a different title or name and is duly registered by, or a member of, a local, state, regional, or national organization engaged in part in providing education and training to sports officials.

Subject: Flag Football Proposal

Rob,

After deeper consideration and some research, the Pioneer League would like to amend our Girl's Flag Football proposal to change the season of sport from Spring to Fall.

Can we please make this amendment for the April meeting so that the leagues can review the proposal with the new season of sport?

Let me know how to proceed.

Stay safe, be well, & remain #CardinalStrong,

Rule Change:

Rule Number Affected: Add Article 210

Implementation Date: 7/1/2023

Abstract: (Please add any supporting documents.)

To provide additional opportunities for girls to participate in education-based athletics and legitimize the sport of Girls Flag Football by recognizing it as a CIF sanctioned sport at the city, regional and state levels, while also opening more doors for females to receive athletic college scholarship opportunities.

The proposal would add Girls Flag Football to the list of approved sports in CIF Bylaw 1200, revise Article 120 and Bylaw 2100 and would renumber the remaining Articles related to CIF approved sports.

Council First Read: 4/5/2022

Council Action Date: 9/29/2022

Date Proposal will take effect on member schools: 2023-2024 School Year

See reverse side for additional information.

Financial Impact on Member School and Southern Section (Attach an analysis and supporting documents):

There is no fiscal impact to the CIF-SS at this time as it is not being proposed as a championship event. There, of course, would be costs involved for CIF member schools choosing to offer this as a sport to include, but not limited to, sports fees, uniforms, equipment, transportation, and officials' fees. No specialized facilities would be required outside of field availability.

All Council Proposals must be submitted according to the timelines published in the Blue Book. If they are not received in a timely manner, they will be postponed until the next meeting.

Council Proposals that do not contain the information in the fields provided on both pages will not be considered.

Sport advisory committees are advised to confine their proposals to the sport(s) under their advisement. Any proposals that do not affect Articles 1400 – 3100 must contain a rationale as to why the sport advisory committee is requesting action.

Procedure for Proposed Bylaw Changes:

1. Identify the bylaw, by number, to be changed or eliminated.
2. Type the bylaw, using normal font face, for language that will remain unchanged.
3. Use strikethrough to identify language to be eliminated or changed.
4. Identify proposed language using bold type.

For example, if a league wants to address the color of jerseys in basketball, the proposal may read:

The _____ League proposes the following changes to the basketball bylaws.
(your league name)

Bylaw 1623 Color of Jerseys

Proposed language:

“In all basketball games played between member schools of the CIF Southern Section,
The host team shall wear ~~white~~ **dark** colored jerseys.”

Girls High School Flag Football

Overview:

In 2021, the Los Angeles Chargers and Los Angeles Rams began a partnership to spearhead the process of sanctioning High School Girls Flag Football in the state of California. Eight Los Angeles area high schools participated in a pilot season during January/February of 2022 to coincide with Super Bowl LVI. We believe the values that can be learned from the game of football should be accessible to student-athletes of all ages, genders, abilities and socioeconomic backgrounds. The game of football can also expand pathways to further education.

Goal:

To legitimize the sport of Girls High School Flag Football by recognizing it as a CIF sanctioned sport at the city, regional and state levels, while also opening more doors for females to receive athletic college scholarship opportunities.

Information:

- In May of 2020, the NAIA partnered with the NFL and Reigning Champs Experiences to add women's flag football as a competitive collegiate sport starting in Spring of 2021.
 - There are currently 15 NAIA colleges across the country that offer college scholarships for women's flag football.
- In February of 2021, Nike announced an initiative with the NFL to commit \$100,000 in product for state athletic associations that offer girls flag football as a high school sport or demonstrate progress by way of a pilot program beginning in 2021.
- At present, six states sanction high school flag football for girls – Alabama, Alaska, Arizona, Florida, Georgia, Nevada and New York. Illinois and Washington close behind.

- All states currently followed official or slightly modified versions of the NIRSA (National Intramural-Recreational Sports Association) rulebook for flag football
- Female flag participation in Los Angeles County is over twice the national average
 - Source: 2020 LA84 Foundation Youth Sports Participation Survey (Play Equity Fund)
- There are over 1,500 official NFL Flag leagues throughout the country, each with multiple age levels and teams.
- Flag football is the fastest growing version of the sport.

Additional Information To Consider:

- The San Francisco 49ers are also working on a pilot league similar to the Chargers/Rams initiative in Northern California.
- Nearly 80 CIF Southern Section and CIF LA City Section high schools responded to a Fall 2021 survey expressing an interest in Girls Flag Football at their school.
- Flag teams can easily play on tackle football/soccer fields by adjusting boundaries with cones. Only a 50 yard field is needed in length.
- NFL Flag estimates a \$2,000 one-time expense per school to purchase flag belts, uniforms, mouthguards, and field equipment (pylons, yard markers, etc.)

 - C. If there was an inadvertent whistle and the down is to be replayed.
 - D. If a touchdown was scored, the try is attempted unless the touchdown is scored during the last down of the second half and the point(s) would not affect the outcome of the game or playoff qualifying.
6. **Continuous Clock** - The Clock will start when the ball is legally snapped. It will run continuously for the first 19 minutes unless it is stopped for:
- A. Team time-out (clock resumes on snap of next play)
 - B. Referee's time-out (clock resumes on official's ready to play whistle)
7. **2-Minute Warning** - Approximately 2 minutes before the end of each half the Referee shall stop the clock and inform both captains of the playing time remaining in that half. The Back Judge will announce to the captains the remaining time and status of the clock after every play during the final 2 minutes.
8. **Stopped Clock** - During the final 1 minute of each half the clock will stop for the following and resume on the snap of the next play unless otherwise noted:
- A. Incomplete Pass
 - B. Out-of-Bounds
 - C. Score (touchdown or safety)
 - D. Team time-out
 - E. Fair Catch
 - F. Penalty and administration
 - G. Referee's Time-out - starts at his/her discretion
 - H. Touchback
 - I. Change of Possession
 - J. Team attempting to conserve time illegally
9. **Timing Errors** - The Referee shall have the authority to correct obvious timing errors if discovery is prior to the second live ball following the error unless the period had officially ended.
10. **Tie Game** - In case of a playoff game ending in a tie score, (regular season does not have over time) the officials must bring all players and coaches of both teams to the center of the field. They will discuss the tiebreaker procedures and answer all questions prior to the coin toss. After this meeting the field captains will stay while the remaining players and coaches return to their respective sidelines.
- A. A coin will be flipped or odd/even choice by the captain will determine the options as in the start of the game. The winner of the toss shall be given the options of offense, defense, or direction. The loser of the toss shall make a

choice of the remaining options. Each overtime period begins with a coin toss or odd/even choice.

B. ALL OVERTIME PERIODS ARE PLAYED TOWARD THE SAME GOAL LINE.

C. Unless moved by penalty, each team will start 1st and goal from the 20 yard line. The object will be to score a touchdown. An overtime period consists of one possession by each time. If the score is still tied after one period, they go to a second period or as many as needed to determine a winner. If the first team which is awarded the ball scores, the opponent still has a chance to win the game. If the defense intercepts the pass or fumble and returns it for a touchdown, they win the game. If they do not return the interception for a touchdown, the ball will belong to the defense, as the offense did not convert their chance. They must convert to win or another period starts. Each team in entitled to one time-out per overtime period.

D. Penalties - The offense should be awarded a new series of 4 downs when the penalty for defensive pass interference or roughing the passer is accepted. Dead ball fouls following a successful try will be penalized from the succeeding spot.

11. Time-Outs – Each team is entitled to 2 charged timeouts per game.

A. The Referee shall declare time-out when he/she suspends the play for any reason. Each time-out shall be charged either to the Referee or one of the teams.

B. The Referee shall declare an official's time-out when a team is illegally conserving time and administer a five-yard penalty.

C. The Referee may declare an official's time-out for any contingency not covered elsewhere by the Rules.

D. Coach-Referee Conference - When a team requests a charged time-out for a misapplication or misinterpretation of a rule, the Referee will confer with the IM supervisor and team captain or coach. The request must be made prior to the time the ball becomes alive following the play to be reviewed unless the period has officially ended. At the end of the half the team has until the first snap of the second half to protest.

E. An injured or apparently injured player, who is discovered by an official while the ball is dead and the clock is stopped, shall be replaced for at least one down unless the halftime or overtime intermission occurs. A player who is bleeding, has an open wound, or has blood on the uniform shall be considered injured.

12. Delays

Delay of Game - The ball must be put in play promptly and legally and any action or inaction by either team, which tends to prevent this, is a delay of game. This includes:

- A. Failure to snap or free kick within 25 seconds after the ball is ready for play.
- B. Putting the ball in play before it is declared ready for play.
- C. Deliberately advancing the ball after it has been declared dead.

Unfair Tactics - The Referee may order the game clock started or stopped whenever, in his/her opinion, either team is trying to conserve or consume playing time by tactics obviously unfair.

Penalty: Delay of Game, 5 yards from previous spot.

13. **Substitutions** - No substitute shall enter during a down. All substitutions must enter the game during a dead ball.

SERIES OF DOWNS, NUMBER OF DOWN, & THE TEAM POSSESSION AFTER PENALTY

1. Each team receives four (4) downs to pass the zone-line-to-gain or endzone.
2. The zone line-to-gain in any series shall be the zone in advance of the ball, unless distance has been lost due to penalty or failure to gain. In such case, the original zone in advance of the ball at the beginning of the series of downs is the zone line-to-gain. The most forward point of the ball, when declared dead between the goal lines, shall be the determining factor.
3. A new series of downs shall be awarded when a team moves the ball into the next zone on a play free from penalty; or a penalty against the opponents moves the ball into the next zone; or an accepted penalty against the opponents involves an automatic first down; or either team has obtained legal possession of a ball as a result of a penalty, free kick, protected scrimmage kick, touchback, pass interception, or failure to gain the zone in advance of the ball.

4. If offsetting fouls occur during a down, that down shall be repeated.

Exception: If each team fouls during a down in which there is a change of team possession, the team last gaining possession may retain the ball, provided its foul was not prior to the final change of possession and it declines all penalties for its opponent's fouls, other than unsportsmanlike.

KICKING THE BALL AND FAIR CATCH

Protected Scrimmage Kick

1. Prior to making the ball ready for play on fourth down, the Referee must ask the offense if he/she wants a protected kick (punt). The Referee must communicate this decision to the defensive captain and the other officials.
2. The offense must have all field players (typically 6) except the punter on the line of scrimmage. The defense must have at least 5 players within 1 yard of their scrimmage line. All players on the line of scrimmage must remain motionless until the kick is made. A line player may not raise his/her arms to distract the kicker or block the kick.
Penalty: Illegal Procedure, 5 yards from the previous spot.
3. The kicker must be at least 5 yards behind the scrimmage line when receiving the snap. After receiving the snap, the kicker must kick the ball immediately and in a continuous motion.
4. Any kick caught by the kicking team behind the line of scrimmage cannot be advanced.

Fair Catch

1. Any receiver may signal for a fair catch while any kick is in flight and is beyond the kicker's free kick line.
2. If any receiver gives a valid signal for a fair catch and catches the kick beyond the kicker's line and between the goal lines, it is a fair catch and the ball becomes dead.
3. After a valid fair catch signal by any member of the receiving team, no receiver may advance the ball. When receiving a protected kick the receiver may call for a fair catch. The player must signal intention by extending one arm above his/her head and waving laterally from side to side more than once.
4. An invalid fair catch signal is any signal by a receiver before the kick is caught or recovered that does not meet the requirements of a valid signal or after the kick has touched a receiver or the ground.

SNAPPING, HANDLING, PASSING, RECEIVING, RUNNING THE BALL

Prior to the Snap

1. Following the ready for play and until the snap, no player on defense may encroach, touch the ball, nor may any player contact opponents or in any other way interfere with them. This includes standing in the neutral zone to give defensive signals, or shifting through the zone. After the snapper has placed his/her hands on the ball, it is encroachment for any player to break the scrimmage line plane, except for the snapper's right to be over the ball. Penalty: Dead Ball Foul, Encroachment, 5 yards from the previous spot.
2. The snapper, after assuming position for the snap and adjusting the ball, may neither move nor change the position of the ball in a manner simulating the beginning of a play until it is snapped. An infraction of this provision may be penalized, whether or not the ball is snapped, and the penalty for any resultant encroachment or contact foul by an opponent shall be cancelled.

Position and Action during the Snap

1. The offensive team must have at least 4 players on their scrimmage line at the snap.
Penalty: Illegal Procedure, 5 yards from previous spot
2. All offensive players must be within 15 yards of the ball.
Penalty: Illegal Procedure, 5 yards from previous spot
3. One offensive player may be in motion, but not in motion toward the opponent's goal line.
Penalty: Illegal Motion, 5 yards from previous spot
4. The player who receives the snap must be at least two yards behind the offensive scrimmage.
Penalty: Illegal Procedure, 5 yards from previous spot
5. In a snap preceded by a huddle or shift, all offensive players must come to a complete stop and remain stationary in legal position without movement of feet, body, head, arms for at least one full second before the snap.
Penalty – Illegal Motion, 5 yards from previous spot

Passing and Receiving

1. There is no diving while running with the ball. A receiver may dive to catch a ball. A defensive player may dive for to try to remove a flag.

2. A runner may pass the ball backward or lose player possession by a fumble at anytime except if intentionally thrown out-of-bounds to conserve time or to avoid being deflagged/tagged.
3. A backward pass or fumble which touches the ground between the goal lines is dead at the spot where it touches the ground and belongs to the last team in possession unless lost on downs.
4. A backward pass or fumble that goes out-of -bounds between the goal lines belongs to the team last in possession at the out-of -bounds spot. If out-of bounds behind a goal line, it is a touchback or safety.
5. If an offensive player fumbles the ball prior to reaching the end zone and the ball lands in the end zone, the offensive team shall retain possession at the spot of the fumble.
6. All players are eligible to catch a pass.
7. A forward pass is illegal:
 - A. If the passer's foot is beyond the line of scrimmage.
 - B. If intentionally thrown to the ground or out-of-bounds to save loss of yardage.
 - C. If there is more than one forward pass per down.
8. The line of scrimmage remains throughout the play. A team may advance the ball across the line of scrimmage by laterals or runs, and then lateral the ball behind the line for a forward pass attempt.
9. If a player attempts a catch or intercept while in the air, the player must contact the ground inbounds with the ball in his/her possession prior to touching out-of-bounds, unless an opponent's contact causes him/her to first touch out-of- bounds.
 - A. If one foot first lands in-bounds and the receiver has possession and control of the ball, it is a catch or interception although a subsequent step or fall takes the receiver out-of-bounds.
 - B. A loss of ball simultaneously with returning to the ground is not a catch or interception.
10. A player may, while jumping in the air to attempt a catch, may pass (tip) the ball forward provided he/she has not touched the ground yet.
11. Pass Interference - Contact that interferes with an eligible receiver who is beyond the line of scrimmage is pass interference unless it occurs when 2 or more eligible receivers make a simultaneous and bona fide attempt to reach, catch, or bat a pass. It is

also pass interference if an eligible receiver is deflagged/tagged prior to touching the ball on a pass thrown beyond the line of scrimmage.

A. Offensive Pass Interference - after the ball is snapped, and until a receiver has touched it, there shall be no offensive pass interference beyond the line of scrimmage.

Penalty: Offensive Pass Interference, 10 yards from previous spot, loss of down

B. Defensive Pass Interference - after the pass is thrown, and until it is touched, there shall be no defensive pass interference beyond the line of scrimmage while the ball is in flight.

Penalty: Defensive Pass Interference, 10 yards from previous spot, automatic first down

12. Roughing the passer – Defensive players must make a definite effort to avoid charging into the passer after it is clear the ball has been thrown, also there should be no attempts to hit the player's arm during a throwing motion.

Penalty: Roughing the Passer, 10 yards, automatic first down

Running and Flag Belt Removal

1. Flag Belt Removal - When the flag belt is clearly taken from the runner in possession of the ball, the down shall end and the ball is declared dead. A player who removes the flag belt from the runner should immediately hold the flag belt above his/her head to assist the official in locating the spot where the capture occurred.

A. Players must have possession of the ball before they can legally be deflagged.

B. When a runner loses his/her flag belt either accidentally, inadvertently (not removed by grabbing or pulling), or on purpose, play continues. The deflagging reverts to a one-hand tag of the runner between the shoulders and knees.

C. In circumstances where a flag belt is removed illegally, play should continue with the option of the penalty or the play.

D. A defensive player intentionally pulling a flag belt from an offensive player without the ball is illegal. The official shall warn the team, any further penalty will result in an unsportsmanlike conduct.

E. Tampering with the flag belt in any way to gain an advantage including tying, using foreign materials, or other such acts is illegal.

F. A player may leave his/her feet when trying to remove the flag.

2. Contact - In an attempt to remove the flag belt from a runner, defensive players may contact the body and shoulders, but not the face, neck or any part of the head of an

opponent with their hands. A defensive player may not hold, push, or knock the runner down in an attempt to remove the flag belt.

Penalty: Defensive Holding, 10 yards from spot

3. **Flag Guarding** - A runner shall not flag guard by using their hands, arms, or the ball to deny the opportunity for an opponent to pull or remove the flag belt. A player may use a spin move, however; must keep their arms away from their flag to avoid flag guarding.

Penalty: Flag guarding, 10 yards from the spot of the penalty.

4. **Face Guarding** – A defensive player may not use their arms and hands to intentionally obstruct the receiver’s view of the ball.

Penalty: Face guarding, 10 yards, automatic first down.

5. **Stiff Arm** – A runner shall be prohibited from contacting an opponent with an extended hand or arm which includes the use of a “stiff arm” to flag guard

Penalty: Stiff Arm, 10 yards from the spot of the penalty

6. **Helping the runner** – A player shall not grasp, pull, push or aid any teammate runner.

Penalty: Helping the Runner, 5 yards from spot of the penalty.

BLOCKING

1. **Offense Blocking** – The offensive blocking shall take place without contact. The blocker shall have his/her hands and arms at his/her side or behind his/her back. Any use of the hands, arms, elbows, legs, or body to initiate contact during an offensive block is illegal.

Penalty: Personal Foul, 10 yards from the spot of the penalty

2. **Interlock Blocking** - Teammates of a runner or passer may interfere for him/her by screen blocking, but shall not use interlocked interference by grasping or encircling one another in any manner.

3. **Defensive Rush and Use of Hands** – Defensive players must attempt to go around the offensive blocker. Defensive players must not use any part of his/her arms, hands, elbows, or any part of the body to contact the offensive player.

Penalty: Personal Foul, 10 yards from previous spot

SCORING PLAYS AND TOUCHBACKS

Mercy Rule

1. If a team is 19 or more points ahead with 5 minutes to go in the second half, the game shall be officially called.
2. If a team scores during the last 5 minutes of the second half and that score creates a point differential of 19 or more the game shall end at that point.
3. The team can still play if they want.

(Service to participate) Touchdown

1. All touchdowns are 6 points
2. A touchdown shall be scored when a legal forward pass is completed or a fumble or backward pass is caught behind the opponent's goal line or when a player is legally in possession of the ball and penetrates the vertical plane of the opponent's goal line

Extra Point Try = 1, 2, or 3 Points

1. An opportunity to score 1 point from the 3-yard line or 2 points from the 10 yard line, or 3 points from the 20 yard line shall be granted to the team scoring a touchdown. While time is out there shall be one scrimmage play, unless changed by penalty.
2. The Referee must speak to the field captain, asking him/her whether the try shall be from the 3 or 10-yard line. Once the scoring team makes the choice, he/she may change the decision only by taking a charged team time out.
3. If a double foul occurs during the down, the down shall be replayed. When a distance penalty is incurred by the offense during a successful try, the down will be repeated, if accepted. However, if the offense penalty carries a loss of down, the try has ended and will not be repeated.

Safety = 2 points

1. It is a safety when a runner carries the ball from the field of play to or across his/her own goal line, and it becomes dead there in his/her team's possession.

Exception: Momentum Rule

2. A safety is also when an offensive player commits a foul for which the penalty is accepted and the measurement is from the spot of the foul that is in the end zone.
3. When a safety is scored, the ball belongs to the defending team, and they shall put the ball in play from the 20 yard line.

CONDUCT OF PLAYERS AND OTHERS

Unsportsmanlike Conduct

1. No player shall commit non-contact acts during a period or intermission. Examples include, but are not limited to:
 - A. Any acts of unfair play.
 - B. Using disconcerting acts or words prior to the snap in an attempt to interfere with the offense's signals or movements.
 - C. Intentionally kicking at any opposing player.
 - D. Intentionally swinging an arm, hand or fist at any opposing player.
2. Dead Ball Player Fouls
 - A. Intentionally kicking the ball.
 - B. Spike the ball into the ground.
 - C. Throw the ball high into the air.
3. Prohibited Acts - There shall be no unsportsmanlike conduct by players, substitutes, coaches or others subject to the Rules. Examples include, but are not limited to:
 - A. Attempting to influence a decision by an official.
 - B. Disrespectfully addressing an official.
 - C. Indicating objections to an official's decision.
 - D. Holding an unauthorized conference, or being on the field illegally.
 - E. Using profanity, insulting or vulgar language or gestures.
 - F. Intentionally contacting a game official physically during the game by persons subject to the rules.

Personal Fouls

1. No player shall commit a personal foul during a period or an intermission. Any act prohibited hereunder or any other act of unnecessary roughness is a personal foul.
No player shall:
 - A. Punch, strike, strip, steal, or attempt to steal the ball from a player in possession.
 - B. Trip an opponent.
 - C. Contact an opponent who is on the ground.
 - D. Throw the runner to the ground.
 - E. Hurdle any other player.
 - F. Contact an opponent either before or after the ball is declared dead.

G. Make any contact with an opponent that is deemed unnecessary of any nature including using fists, locked hands, elbows, or any part of the forearm or hand, except according to Flag Rules.

H. Deliberately drive or run into a defensive player.

I. Clip an opponent.

J. Tackling the runner.

ENFORCEMENT OF PENALTIES

1. **Captain's Choice** - When a foul occurs during a live ball, the referee shall, at the end of the down, notify both captains. The referee shall inform the captain of the offended team regarding the rights of penalty acceptance or declination and shall indicate to him/her the number of the ensuing down, distance to be gained, and status of the ball for each available choice. The distance penalty for any foul may be declined. If the penalty is declined or if there is a double foul, there is no loss of distance. A captain's choice of options may not be revoked.

2. **Live Ball Fouls** – Any live ball foul is penalized according to the all-but one enforcement principle, except:
 - A. A foul that occurs simultaneously with the snap or free kick is penalized from the previous spot.
 - B. A non-player foul, unsportsmanlike foul, or dead ball foul is penalized from the succeeding spot.

3. **Dead Ball Fouls** – When a foul occurs during a dead ball either between downs or before a snap or free kick, the officials shall not permit the ball to become live.

4. **Establish Zone-line-to-gain** - On a live ball foul mark off the penalty yardage first, then establish the zone line to gain. However, with a dead ball foul, establish the zone line to gain first, and then mark off the penalty yardage.

5. **All-But-One Principle** - Enforcement philosophy is based on the fact that a team is given the advantage of the distance that is gained without assistance of a foul. It is assumed that the only foul that would give this aid is a foul by the offense behind the basic spot. Therefore, all fouls but this one, that is a foul by the offense behind the basic spot, are penalized from the basic spot. This one foul is penalized from the spot of the foul.

6. **Loose Ball Play** – If a foul occurs during a loose ball play, the basic enforcement spot is the previous spot either the spot of the snap or the free kick.

7. **Running Play** – If a foul occurs during a running play, the basic enforcement spot is the spot where the related run ends.

8. **Half the Distance** - A measurement cannot take the ball more than half the distance from the enforcement spot to the offending team's goal line. If the penalty is greater than this, the ball is placed halfway between the enforcement spot and the goal line.

9. **Safety / Goal Line** - If the offensive team throws an illegal forward pass from its end zone or commits any other foul for which the penalty is accepted and measurement is from or behind its goal line which is now the basic spot, it is a safety. For a defensive team foul, if the enforcement spot that is now the basic spot is on or behind the offended team's goal line any measurement is from the goal line.

10. **Foul on a Score** - If there is a player foul by the offensive team other than unsportsmanlike or nonplayer, during a down which results in a successful touchdown or try, the acceptance of the penalty nullifies the score. If there is a player *foul* by the defensive team, other than unsportsmanlike or non-player, during a down which results in a successful touchdown or try, the penalty is automatically declined.

11. **Foul Prior to a Try** - When a foul occurs after a touchdown and before the ball is ready for play for the try, the enforcement is at the succeeding spot where the ball will be next snapped for the try, usually the 3 or 10 yard line.

12. **Double Foul** - It is a double foul if both teams commit fouls, other than unsportsmanlike or nonplayer, during the same live ball period in which:

A. There is no change of possession.

B. There is a change of possession, and the team in possession at the end of the down fouls prior to final change of possession.

C. There is a change of possession and the team in final possession accepts the penalty for its opponent's foul.

In all three the penalties cancel and the down is replayed.

EXCEPTION: If each team fouls during a down in which there is a change of team possession, the team last gaining possession may retain the ball, provided its foul is not prior to the final change of possession and it declined the penalty for its opponents foul(s), other than unsportsmanlike or nonplayer.

13. **Multiple Live Ball Fouls** - When 2 or more live ball fouls are committed by the same team, only one penalty may be chosen except when a foul(s) for unsportsmanlike or nonplayer conduct occurs. In such cases, the penalty/penalties for the unsportsmanlike conduct or nonplayer fouls are administered from the succeeding spot as a dead ball foul.

14. **Multiple Dead Ball Fouls** - Penalties for dead ball fouls are administered separately and in the order of occurrence. Dead ball fouls are not coupled with live ball fouls or other dead ball fouls to create double or multiple fouls. Penalize all unsportsmanlike and nonplayer fouls separately.
