8. REPORTS

A. NFHS Summer Meeting Reports

Monica Colunga

Jim Perry

Mike West

Jeff Williams

Past President Monica Colunga gave a very detailed report from the NFHS Summer Meeting, highlighting many of the workshops she attended. First was Focus on Title IX as it is 50th Anniversary. She attended the Water Polo breakfast which Assistant Commissioner Kristine Palle, ran and did a fantastic job. There was a workshop on Title IX, the Next 50 Years. Although girls' sports participation has grown to 43% today from the 3% it was in 1972, have the coaching staffs and administrations grown at that same rate? The first General Session was regarding communication. One thing that was brought up was word choice and to be sure your words are true, necessary, and kind. We need to be cognizant that our young people are growing up in a changing world. The second General Session was the NFHS Report.

8. REPORTS (Cont.)

A. NFHS Summer Meeting Reports (Cont.)

Immediate Past President Mike West reported on his experiences at the conference. Transgender inclusion in sports needs to continue to be discussed, including the difference between transgender and sexual orientation. Overall, there are 16 states with legislation against participation. California appears to be the most liberal on the subject and studies are finding that transgender athletes are healthier when participating in sports. Regarding Non-Binary athletes, in Washington the athletes must choose to participate in the male or female sport for each season of sport but can change for the next season of sport.

Desert Area Representative Jeff Williams reported on his experiences. Texas was an outstanding host. When the representatives from California walk into a room, they are acknowledged, recognized as leaders in the industry. Jeff attended the same workshops as his colleagues. Stated that we owe a debt of gratitude to those that have gone before to blaze the trail for today's female athletes. We also need to acknowledge the men that advocate for these women. Football in many other states still has the old-fashioned look at the sport where the entire town closes down for the high school games. The NFL teams are reaching out to high school programs to help support these programs in any way they can. Other states could not understand the idea of an officials shortage.

President Jim Perry concluded the reports with a summary of his attendance at the Board Member workshop. He also attended a session on transfers and expressed that other states are surprised at the way California handles transfers. As for summertime rules, some states lock down completely all summer with no activity at all. It is interesting how the other states handle high school athletics. There is a lot of interest and discussion regarding how California does playoff groupings. Rob Wigod and staff will be hosting a workshop on this subject at the NFHS Section 7/8 Meeting.

B. President's Report

Jim Perry

President Jim Perry talked about the importance of getting athletic trainers full time on all high school campuses. He is committed to getting our section schools back to state of civility and sportsmanship. Our administrators must take a stand regarding fan behavior and decorum. Students and fans need to relearn to respect yourself, your school, your community, your parents as you are representatives of each of these areas.

C. Treasurer's Report

Chris Calderwood

Treasurer Chris Calderwood reported the audit will be in September/October. Mitch Carty does a great job during audit time preparing all the reports requested by the auditors. It is a daunting task. Through GoFan during the 2019-20 school year, only 33,000 tickets were sold. In the 2021-22 school year, over 522,000 tickets were sold online for our events with \$209,000 going back to schools in revenue share. GoFan has changed how we do business and the office is working to bring electronic payments to all forms of revenue collection. Sports Fees have been waived this year thanks to the grant from the California Department of Education, but schools still need to sign into cifsshome.org and create an invoice in order to register their sports teams. The Athletic Administrators Summit is coming up in October and will be free of charge this year. Finally, Chris announced he is retiring on January 1, 2022, but will remain in his position through the rest of the school year.

8. REPORTS (Cont.)

D. Commissioner's Report

Rob Wigod

Commissioner Rob Wigod welcomed the Executive Committee and thanked them for their attendance at today's meeting. This has been such a great way to start the new year being here at the Rose Bowl. Be sure to review the Message from the Commissioner, if you haven't yet, with a preview of the 2022-2023 school year. Fall Eligibility Workshops are in full swing and we have two New Principal/Athletic Director Workshops coming up in September and we encourage you to recommend to your new administrators the importance of attending these events. The Athletic Administrators Summit is in October, free of charge, and as area representatives, please reach out to your constituents and encourage them to attend, along with updating them on what has taken place here. Fall Sports start tomorrow and Saturday. This is the time to build on the tremendous work and momentum that was established in 2021-2022.

E. Executive Committee Member Reports

Second Reading (Season moved to Fall)
Action Item
First Reading

Next: CIF Federated Council First Reading item if passed by CIF/Southern Section Council on September 29, 2022.

Type: New CIF Sanctioned Sport; Bylaw Addition and Revision

Summary: A proposal has been forwarded from the CIF/Southern Section to add the sport of flag football as a CIF sanctioned sport for girls. This first reading is pending passage of this item by the CIF/Southern Section Council at their September 29, 2022 meeting. If not passed by the CIF/Southern Section Council, this item will be removed from this agenda.

The proposal would add Flag Football to the list of approved sports in CIF Bylaw 1200, revise Article 60 and Bylaw 2100.

Fiscal Impact: There is no fiscal impact to the CIF at this time as it is not being proposed as a championship event. There, of course, would be costs involved for CIF member schools choosing to offer this as a sport.

Background: One of the CIF goals is to increase participation opportunities for girls in order to close the gap between the number of girls and boys participants. Currently there are girls flag football programs at over 100 CIF member schools with over 1,300 girls participating in those programs. In addition, there are five states that offer the sport for girls.

Talking Points: Additional opportunity for girls to participate in education-based athletics; inexpensive sport with respect to equipment and uniforms; In May of 2020, the NAIA added women's flag football as a competitive collegiate sport starting in Spring of 2021.

Forward to Federated Council

Type: Constitutional Amendment (Requires a two-thirds vote of the Federated Council)

Summary: This Constitutional Amendment would require CIF member schools to complete the participation census each year and identifies sanctions when schools fail to do so. If passed, this Amendment would be implemented immediately.

Fiscal Impact: None**Background:**

Approximately 10-12% of CIF member schools fail to submit the census on a yearly basis. This results in a negative impact on the overall reporting of participation numbers and other data related to member schools of the CIF. It is also California law (Education Code Section 221.9) that schools offering competitive interscholastic athletics report on their school website (or district website if no school site exists) information about boys' and girls' athletic participation by the end of each school year.

22. MEMBERSHIP/CONDITIONS OF MEMBERSHIP

- A. Membership in the California Interscholastic Federation shall be open to public, charter and private high schools of the State of California. The CIF Section in which the school is located may grant membership according to the Section's policies and procedures.
- B. As a condition of membership and continuing membership a member school agrees to:
- (1) Request to join the CIF State and the CIF Section at a public meeting of the local school board or board of directors;
 - (2) To abide by all current rules and regulations of the CIF State and CIF Section;
 - (3) To ensure that the local school board or board of directors will adopt the 16 Principles of Pursuing Victory with Honorsm by a board resolution;
 - (4) Accept as a member school the responsibility to educate student-athletes, coaches, parent(s)/guardian(s)/caregiver and other appropriate persons on the CIF State and CIF Section Constitution and Bylaws, Policies and Procedures adopted by the governing body;
 - (5) Ensure that the administrative decisions of the Federated Council, Executive Committee, Executive Director, Section Board of Managers, Section Commissioner and all state and sectional appeal decisions shall be accepted in good faith by all member schools. The principal of any member school, who, by any act or attitude, shall refuse to accept, or shall hold in contempt or derision, or shall permit or acquiesce in such contempt or derision on the part of any group of individuals associated with his/her school, shall subject his/her school to possible sanctions, suspension and/or expulsion from the Section and/or State membership. These provisions are not to be construed as preventing the principal of a member school from exercising his/her school's right to due process;
 - (6) Abide by all decisions made by the CIF governing body having jurisdiction in the matter. If a member school, or that school's governing body files suit in a court of law against the CIF and/or one of its Sections and the CIF and/or its Section prevails, the member school shall reimburse the CIF and/or its Section for all legal fees and reasonable expenses incurred by the CIF and/or its Section in connection with the suit to remain a member in good standing;
 - (7) Ensure that CIF member schools will not accept monies, equipment or apparel specific to, or distributed to, individual athlete(s) within that program. All gifts are school property (as per the Education Code/Board Policy) and may not be given to any individual athlete(s). School/school districts should ensure such gifts are distributed equitably. Gifts supporting travel to athletic competitions must be devoted only to reasonable costs of travel, lodging and food and distributed through the school district, ASB or governing board according to Bylaw 805;
 - (8) Monitor its athletic program and to self-report to the appropriate governing body any violations of State and Section Bylaws as soon as the school is aware of possible violations. This responsibility extends to all administrators and coaches at the school. Each member school is responsible for the conduct of its administrators, coaches, athletes, students and parent(s)/guardian(s)/caregiver and for any knowledge possessed by its administrators;
 - (9) Ensure that all coaches, paid and unpaid, will have completed a coaching education program that emphasizes the following components:
 - a. Development of coaching philosophies consistent with school, school district and school board goals;
 - b. Sport psychology: emphasizing communication; reinforcement of young people's efforts; effective delivery of coaching regarding technique and motivation of the student-athlete;
 - c. Sport pedagogy: how young athletes learn and how to teach sport skills;

Factors to be considered by the Executive Director or Section Commissioner in making these determinations may include, but are not limited to:
 - a. The seriousness of the alleged violation;
 - b. Any other factor the Executive Director or Section Commissioner may deem relevant in making these decisions.
- (3) A violation of the CIF or Section Constitution or Bylaws will not result in any investigation or penalty if it is inadvertent and the school first learns of and reports the violation after the conclusion of the following year's playoffs in the sport in which the violation occurred. Proposed language:

The Official's Fees/Relations Committee and the CIF Southern Section Council approved a comprehensive Officials Fees package for the 2022-23, 2023-24 and 2024-25 school years in April, 2022. In that package, Varsity officials in all sports will be paid \$35.00 an hour. This proposal adds the sport of Beach Volleyball to that package. For the sport of Beach Volleyball, the match official will be referred to as a "monitor".

The minimum amount of time a monitor could be requested for a dual head-to-head competition is 2 hours. This would cover 1 hour of pre-match time and 1 hour of match time if the schools have access to 5 courts and played all 5 pairs at one time, then that match should take 1 hour. If a more realistic time is 2.5 hours, then the rate would be \$87.50. The rate then goes up an additional \$17.50 for each 30 minutes after that. This should help the officials for those matches that only use 2 courts or 3 courts at a time.

An Athletic Director, when they request a monitor, simply needs to inform their assignor that they are using X number of courts and the anticipated amount of time will be X hours. The assignor then assigns the monitor at the hours requested by the host school Athletic Director.

If the monitor for the Varsity match is also assigned to the Junior Varsity match on the same date, time and location, then the opportunity to receive both amounts would be standard. This would bring the base rate for both levels to a total of \$130.00 minimum. For example...

- Varsity – 2 hours at \$35.00 an hour = \$70.00
- Junior Varsity – 2 hours at \$30.00 an hour = \$60.00
- Total for both matches on the same date, time and location = \$130.00

Finally, once we get to the end of the regular season and enter the CIF Southern Section Beach Volleyball Team Championships, playoff rates will be \$40.00 an hour with the 2-hour minimum requirement for a total of \$80.00 for the playoff match. If more time is needed, then each additional 30 minutes will increase the rate by \$20.00.

During the CIF Southern Section Beach Volleyball Team Championships, a monitor will be required for all matches in all rounds.

To: Federated Council**Date: September 8, 2022****Re: Ratification of Executive Committee Action as per Bylaw 1108****Proposal Originated: Executive Committee****Proposal Reviewed**

08/31/2022 - Executive Committee

Proposal Recommendation

Action Item - Approved Unanimously

Type: Bylaw Amendment (Requires a two-thirds vote of the Federated Council)

Summary: The Executive Committee took action as allowed under Bylaw 1108 (see below) to revise Bylaw 210 - Physical Assault of a Game or Event Official. This action created Bylaw 210.C. which provides sanctions for spectators who physically assault the person of a game or event official.

CIF Bylaw 1108.B. - Delegated Powers states that between meetings of the Federated Council, the Executive Committee shall be empowered to act for the Federated Council when necessary. This action will be subject to the approval of the Federated Council at its next meeting.

Fiscal Impact: None**Background:**

Currently, Bylaw 210 - Physical Assault, contains policy regarding the assault of a game or event official by a student or coach. However, there is no policy if the assault is perpetrated by a spectator. Given the decline in numbers of sports officials and the continuing poor treatment of officials by spectators, the Executive Committee deemed it necessary to take action regarding this issue.

210. **PHYSICAL ASSAULT OF A GAME OR EVENT OFFICIAL**

A. **Student**

Any student who physically assaults the person of a game or event official shall be banned from interscholastic athletics for the remainder of the student's eligibility. A game or event official is defined as a referee, umpire or any other official assigned to interpret or enforce rules of competition at an event or contest. A student may, after a lapse of 18 calendar months from the date of incident, apply for reinstatement of eligibility to the CIF State Executive Director.

B. **Coach**

Any coach who physically assaults the person of a game or event official shall be considered to have violated Bylaw 22 (Conditions of Membership) and, pending action by the building principal, subjects the member school to sanctions or loss of standing as a member. When a coach allegedly assaults a person of a game or event official it is mandatory that the principal/designee notify the CIF Section Office within 48 hours (excluding holidays and weekends) after the receipt of the assault report notification. The competing schools and officials will be required to file written reports within 10 days of the incident. After reviewing the material, the principal of the school involved will be required to respond to the respective CIF Section Office concerning his/her investigation of the incident.

C. **Spectator**

Any spectator who physically assaults the person of a game or event official immediately prior to, during, or immediately following an interscholastic athletic contest shall be permanently banned from attending interscholastic athletic contests. A game or event official is defined as a referee, umpire or any other official assigned to interpret or enforce rules of competition at an event or contest. School administration and/or athletic staff shall immediately notify their local CIF Section Office and CIF State Office whenever the school has knowledge of an assault on a game official associated with an interscholastic event in which their school participated or of an assault occurring on their school's grounds associated with an interscholastic athletic contest.

NOTE #1: Definition of a Physical Assault: A physical assault is the intentional infliction of or an attempt to inflict a harmful or offensive touching or contact upon the person of an official. Note that the rule is violated even if no contact is made with the person of an official. Such conduct shall include verbal threats and/or intimidation either or before, during or after the contest. All that is required is the "attempt." However, the act constituting the attempt must be accompanied by a specific intent, which may be inferred from the circumstances and nature of the act, to inflict a harmful or offensive touching contact of the official's person.

NOTE #2: A person assaulting a sports official may also be subject to California Penal Code 243.8 which states the following:

(a) When a battery is committed against a sports official immediately prior to, during, or immediately following an interscholastic, intercollegiate, or any other organized amateur or professional athletic contest in which the sports official is participating, and the person who commits the offense knows or reasonably should know that the victim is engaged in the performance of his or her duties, the offense shall be punishable by a fine not exceeding two thousand dollars (\$2,000), or by imprisonment in the county jail not exceeding one year, or by both that fine and imprisonment.

(b) For purposes of this section, "sports official" means any individual who serves as a referee, umpire, linesman, or who serves in a similar capacity but may be known by a different title or name and is duly registered by, or a member of, a local, state, regional, or national organization engaged in part in providing education and training to sports officials.
