When the CBED information for the 2026-2027 has been submitted to CIF-SS and the State Department of Education, any school that incurs a gain/loss in enrollment of a minimum of 15% in the current year will utilize the new CBED data for placement into division. Reporting of the information to the State Department of Education occurs in October of each year school year. Final divisional placement for each school will be determined once this information has been received and compiled.

REMINDER: By action of the CIF-SS Council at the March 23, 2000 meeting, no schools will be allowed to compete outside of their enrollment based division.
