A season of sport (see Bylaw 504) is defined as that period which begins with a student's first interscholastic competition (non-league, tournament, or league game) and ends with that student's last interscholastic contest (tournament, non-league or CIF Southern Section playoff).

**#2709. SPECIAL RULES FOR SOCCER**

---

- #2709.1 The duration of varsity games shall be two equal 40-minute halves. The duration of junior varsity and frosh-soph games shall be two equal 35-minute halves. In the case of a tie game, two extra periods of ten minutes each may be played, by league adoption for league games, or by mutual agreement between coaches in non-league games. A tie at this latter point then stands as official.
- #2709.2(A) A player who receives a straight red card in any game (non-league, tournament, league or playoff) may not play for the duration of the game and will adhere to the appropriate number of subsequent game suspensions in accordance with bylaw 503.M.
- #2709.2(B) A player who receives two yellow cards in any game (non-league, tournament, league or playoff) may not play for the duration of the game. The player will be eligible for the team's next game.
- #2709.3 A player who receives a yellow card in any game (non-league, tournament, league or playoff) must leave the field and may be substituted for. The player may re-enter the game at any subsequent time that a legal substitution may be made.

- #2709.5 Any high school soccer team (boys' or girls', Varsity or Non-Varsity) receiving its fourth straight red card during the high school season of sport, will immediately be put on probation and will lose four allowable contests the subsequent season.

If a boys' or girls' soccer team that is on probation receives an additional three (3) red cards during their probationary period, the following penalties will apply:

**Varsity** teams will be removed from the CIF Southern Section Playoffs for a period of one year and continue their probationary status for the following season

OR

**Non-Varsity** teams will be restricted to playing their league schedule only during the subsequent high school season.

If a team whose current status is "probationary" then violates the red card policy (again), that level of competition will be suspended from participation in the CIF Southern Section entirely the subsequent season.

Note: All individual player penalties shall apply (see Bylaw 503.M for details)

Upon written appeal to the Southern Section Commissioner, the school may petition the Section for reinstatement of the team to be removed from probationary status.

## #2710. COUNTING A GAME

---

A regulation *called* game with a tie score shall be counted as ½ game won and ½ game lost for each team. This rule will apply to all contests and leagues may not waive this rule.

NOTE: All statistics that occur during overtime count towards team and individual totals. However, if the game reaches the point where a tiebreaker procedure of taking kicks from the penalty-kick line or spot occurs, no statistics – goals or saves – count toward team or individual totals.

All contests (non-league, tournament, league) decided by the tiebreaker procedure of taking kicks from the penalty-kick line or spot shall be counted as ties for each team's overall record. The score shall be recorded as a tie.

This application is for calculating a team's percentage. This does not apply to leagues using an internal point system to forward league entries.

<>QUESTION:	During a tournament game the score at the end of regulation/or overtime was tied so kicks from the mark were used to determine the winner and advance an a team in the tournament. Does the advancing team count this contest as a win or a tie?
<>ANSWER:	Both teams would record this contest as a tie. The kicks from the mark were only used to determine who should advance and not who won or lost the contest.
<>QUESTION:	During the tournament championship final the score at the end of regulation / or overtime was tied. Kicks from the mark were used to determine who won the tournament championship. How would this contest be entered on each teams official schedule?
<>ANSWER:	The team that won the contest either in overtime or kicks from the mark would be declared the winner and would enter a win on the official schedule. The team that lost in overtime or kicks from the mark would enter a loss on the official schedule.
