The 2023-2024 Proposed Budget projects an income of \$6.68 million and expenses at \$6.61 million. Income sources for the State CIF office are: State Championships, corporate and marketing sponsorships, and membership dues. The expenditures for the CIF State Office are marketing fulfillment agreements, the CIF Home partnership, an increase in legal fees, and an increase in insurance costs. An additional increase would also be incurred if Article 70 were to pass. Article 70 would add four new members to the CIF State Executive Committee. 2. CIF State Executive Committee Nominations - President-Elect Dr. Paula Hart Rodas presented the nominations for a two-year term on the CIF State Executive Committee. The candidates are: Ms. Neezer McNab, Los Angeles City Section, Ms. Marybeth Ortiz, California Association of Private School Organizations (CAPSO), Mr. Louie Rocha, North Coast Section and Mr. Jeffrey Taylor, Oakland Section. 3. Proposed Amendment to Bylaws 212/510 - Amateur Status/Undue Influence - President-Elect Dr. Paula Hart Rodas reviewed the proposal. The proposal further defines what activities can take place while still following the guidelines outlined under CIF Bylaw 212. The proposal also includes what penalties will be in place should a student-athlete violate CIF Bylaw 212. State Action item 651 also addresses how Name, Image and Likeness violations would impact a student's eligibility under CIF Bylaw 510. The amendment states that a student would become ineligible for CIF competition for a period of one (1) year for accepting material or financial inducement to retain or attend a CIF member school for the purpose of engaging in CIF competition, regardless of the source. This includes, but is not limited to, student individual endorsements that involve anyone from, or associate with, a school or its athletic programs. There was a motion by the Sunbelt League and a second by the Channel League. There being no discussion, the motion carried. Motion Carried: 77-2-54.

4. Proposed Amendment to Bylaws 207/504 - Transfer Eligibility/Season of Sport - President-Elect Dr. Paula Hart Rodas reviewed the proposal. The proposal defines athletic participation for a student-athlete who is transferring to a

member school who was part of an academy program which competed against a high school or non-school organization during that season of sport, in the 12 calendar months immediately preceding their transfer to the new school. In this case, the student would be limited to the sub-varsity level (limited) eligibility in those sports. In addition, no student would be eligible to participate in the same sport at two (2) different schools in the same school year. For purposes of this Bylaw, an "Academy" is defined as a non-school organization located in or outside the State of California that consists of sports development and/or training programs, consisting of athletic team(s) that compete against other high school or non-school organization athletic programs. There was a motion by the Sunkist League and a second by the Skyline League. There being no discussion, the motion carried. Motion Carried: 79-2-3

5. Proposed Addition of Bylaw 2901 - CIF State Tennis Championships - President-Elect Dr. Paula Hart Rodas reviewed the proposal. This proposal completes the CIF State Championship schedule that was introduced 10 years ago. Cost of this event is minimal thanks to the support of the USTA. There was a motion by the Big VIII and a second by the Channel League. There being no discussion, the motion carried. Motion Carried: 80-0-6

6. Proposed Amendment to Article 70 - Executive Committee - President-Elect Dr. Paula Hart Rodas reviewed the proposal. The proposal would expand the CIF State Executive Committee from the current 9 members to 13, adding 4 At-Large positions, to better represent the Sections, ethnicity, and gender equality across the State. This would be for immediate implantation and nominations will be coming from all CIF Sections. Two of the new members would serve for two-year terms and two would serve one-year terms to establish a cycle where the positions are replaced every two years. The CIF State Executive Committee will vote on the nominations and elect the new positions at their June, 2023, meeting. There was a motion by the Rio Hondo League and a second by the Bay League. 1. Proposed 2023-24 CIF State Budget

President-Elect Paula Hart Rodas reviewed the proposal of the 2023-24 CIF State Budget. Increases in both expenses and income are indicated within the budget materials. There is an increase to legal and insurance costs. If the amendment to Article 70 passes, four new members will be added to the CIF State Executive Committee and those increased costs are indicated. From first read to the current version of the proposed budget, the salary increase from COLA was increased from 3% to 5%. There was a motion and a second to approve the CIF State Budget. The motion passed 19-0-0.

2. CIF State Executive Committee Nominations

President-Elect Paula Hart Rodas reviewed the list of CIF State Executive Committee nominations. There are no nominations from the Southern Section and therefore the recommendation is to send our delegates to the CIF Federated Council uninstructed. There was a motion and a second to send our delegates uninstructed. The motion passed 19-0-0.

3. Proposed Amendment to Bylaws 212/510 - Amateur Status/Undue Influence.

President-Elect Paula Hart Rodas reviewed the proposal amending CIF Bylaws 212 and 510. The proposal outlines a tiered penalty based on number of infractions of CIF Bylaw 212, related to commercial endorsements, and CIF Bylaw 510, undue influence, and is for immediate implementation. There was a motion and a second to approve this proposal. The motion passed 19-0-0.

4. Proposed Amendment to Bylaws 207/504 – Transfer Eligibility/Season of Sport . President-Elect Paula Hart Rodas reviewed the proposal creating an amendment to CIF Bylaws 207 and 504 regarding academy programs. This proposal states that involvement in these types of programs would be considered participation in those sports as it relates to eligibility. There was a motion and a second to approve this proposal. The motion passed 19-0-0.

5. Proposed Addition of Bylaw 2901 – CIF State Tennis Championships President-Elect Paula Hart Rodas reviewed the proposal adding CIF State Team Tennis Championships for the Fall, 2023. This is the last sport to be added from the CIF State Championship Events timeline created ten years ago. Additional costs would be minimal, accounting for travel and awards. Rainer Wulf clarified this adds one more week to the current team tennis schedule. There was a motion and a second to approve this proposal. The motion passed 19-0-0.

6. Proposed Amendment to Article 70 – Executive Committee - President-Elect Paula Hart Rodas reviewed the proposal adding additional members to the CIF State Executive Committee to reflect a balance

of gender and ethnicity representation for the school populations across the state. There was a motion and a second to approve this proposal. The motion passed 19-0-0.

B. SOUTHERN SECTION ACTION ITEMS

1. Proposed 2023-24 CIF Southern Section Budget - President Jim Perry reviewed the proposed 2023-24 CIF Southern Section budget. This is a balanced budget and thank you to Chief Financial Officer, Mitch Carty for his tireless work in establishing this budget. There was a motion and a second to approve this proposal. There being no discussion, the motion passed 19-0-0.

2. CIF Southern Section Executive Committee Nominations - President Jim Perry reviewed the nominations for the CIF Southern Section Executive Committee. It was reviewed that the first three positions listed in the agenda are voted on by the entire Southern Section Council and the other positions are voted on only by those leagues involved in those areas. Nominations from the floor will be taken for the Desert Area as there is only one nomination from that area. There was a motion and a second to move these nominations to the Southern Section Council for vote at their next scheduled meeting on April 18. There being no discussion, the motion passed 19-0-0.

3. Proposed Revision of Bylaw 1223.3 – Summertime Rules - President Jim Perry reviewed the proposal regarding an amendment to the current summer dead period rules. If approved, this proposal would allow schools to have different 14-day dead periods for each individual sport on campus in lieu of the entire athletics program being shut down for 14 consecutive days. Northern Area Representative, Dave Hess, supports the current rule, but his school district gets out late which compacts the time available to take multiple dead periods. Boys' Athletic Director Representative, Rich Imbriani, supports the current rule as the entire staff was able to take advantage of a break. He reminded the Executive Committee that we are here for our high schools, not clubs. President Jim Perry stated his school district ends late but feels it is important to give the multi-sport athletes 14 days off, which the current rule provides. Parents in his area have been happy with students receiving a complete break. Desert Area Representative, Jeff Williams, stated the old system was a disservice to the multi-sport athletes. With everyone off, campuses are closed and required maintenance can be completed during the time everyone is away from campus. There was a motion and a second to approve this proposal. The motion failed 1-18-0.

Assistant Commissioner – Rainer Wulf thanked his colleagues for all the support and assistance through his career. This was a dream job. One big adjustment was gaining an overall perspective, a section wide perspective rather than a high school outlook. Thank you! Assistant Commissioner – Thom Simmons reminded the Executive Committee of the upcoming Champions for Character Golf Tournament on June 19. We are still looking for tee signs, donations, and foursomes. Hope to see you there. Parochial Area Representative – Steve Miller reported when he first came to the Executive Committee, he felt like the enemy representing the private schools, but now, we are all friends, and everyone has a better understanding of the plight of the private schools bringing an open mindedness to the public/private situation. CADA Representative – Geniel Moon reported it has been a pleasure serving on the Executive Committee and bringing the Activities Directors more into the sports realm.
