## **CHEERING SECTION**

Fan/Student cheering sections are encouraged to cheer and support their own team and should display proper sportsmanship with respect to the opposing team and the game officials. They are expected to follow the following guidelines and failure to do so may lead to removal from the contest and or/forfeiture of the contest.

It is the expectation that cheering section behavior will be monitored by the assigned school staff of the school they represent. All improper behavior/language should be addressed and corrected immediately by school staff supervisors. The walk-way areas between the front row of the bleachers and the safety rail must remain clear. All spectators must be in the stands and clear of the railing.

## **NOISEMAKERS PROHIBITED**

No noisemakers (horns, bells, victory bells, thunder sticks, sirens, chimes, cow bells, wooden blocks, musical instruments other than those in the band etc.) will be permitted at any CIF Southern Section soccer game.

Cheering devices such as wooden blocks, or other similar objects are prohibited. Megaphones shall be used only by uniformed cheerleaders for the purpose of directing and controlling rooting sections.

The improper use of any of the above listed devices or any other artificial noisemaker by supporters of a team would subject that team to possible forfeiture of the contest. The use of music is **not** allowed by either team during pre-game.

## **BODY PAINT**

Face Painting is acceptable from the neck up only and shall not include any inappropriate letter and symbols. Assigned school staff shall monitor their cheering sections with regards to face painting.
