FOR IMMEDIATE RELEASE

PRESS RELEASE: #23

RELEASE DATE: March 21, 2024

WINNERS OF THE 2023-2024 CIF SOUTHERN SECTION- FORD ACADEMIC AWARDS ANNOUNCED

LOS ALAMITOS, CA – The winners of the 36th Annual CIF Southern Section – FORD Academic Awards program were announced at the CIF-SS office today. The team awards, based on a cumulative grade point average, are awarded in 27 team sports. Entries from 2,533 teams were received this year. Twenty-eight different CIF-SS member schools are represented amongst the team winners. Flintridge Preparatory School led the way with six different team winners topping the academic lists, followed by Long Beach Poly with five teams represented. The annual academic awards program is sponsored by the Southern California FORD Dealers.

To be considered, teams must have at least five student-athletes with a minimum of a 3.0 GPA average (4.0 scale) in the first semester or first two quarters of the 2023-24 school year. The highest team GPA in each sport category by CBED enrollment determines the winner. Schools are divided into two CBED enrollment categories, 1500 and above and 1499 and below. The team with the highest GPA in each enrollment category for each sport receives the award. The first-place teams receive a banner to commemorate their achievement. All teams who participated and qualified receive Academic Award certificates for their student-athletes.

Additionally, 405 student-athletes have each been named the individual “Student-Athlete of the Year” by their school. Each CIF-SS member school is entitled to name a male and a female “Student-Athlete of the Year” that must be a senior having maintained a minimum of a 3.5 GPA (4.0 scale) over the past three years, in addition to earning a letter in at least one varsity sport and participating in extracurricular activities (music, drama, service groups, etc.).

The academic team winners will be honored in a pre-game ceremony before the April 22nd, Los Angeles Angels game versus the Baltimore Orioles. A complete list of award winners follows...
