****Note: Any teams in varsity tournaments, in ALL sports, are going to be considered varsity and those allowable contests WILL come off their varsity totals of 28. If you have two teams in a varsity tournament and there are 4 games guaranteed, you've taken place in 8 games counting toward your varsity schedule and any student playing MUST have varsity eligibility (transfer and otherwise). When schools enter a varsity tournament, they are expecting varsity competition. A varsity team MAY NOT count a win against a junior varsity team as a "win" toward their varsity win-loss record.***
