LARRY HOLLYFIELD NAMED "AAAA" BASKETBALL PLAYER OF YEAR AS COMPTON GOES UNDEFEATED

Tarbabe String Extended to 62 Over 2 Years

FOR RELEASE: WEINESDAY AFTERNOON, MARCH 26TH and Thursday a.m. .....

\* \* \* DO NOT RELEASE PRIOR TO RELEASE DATE!!!

compton High School, winner of 62 straight basketball games over a two year period -- 32 games in 1968 and 30 games in 1969 -- and holder of back-to-back CIF titles for the second time in the school's history -- CIF Commissioner Ken Fagans coached the other Tarbabe twin-title teams in 1951-52 -- placed three players on the three ten-man teams selected by the Helms Athletic Foundation's All-Southern California Board of Basketball for the 1969 season.

It was coach Bill Armstrong's gritty forward Larry Hollyfield who received the majority of the raves from prep roundball fans across Southern California and accordingly was voted "Player of the Year" honors...unanimously. The other two Tarbabe choices for all-star team honors are guard Lewis Nelson on the first team and forward Donald Womack named to the second squad.

Bill Armstrong's Compton crew, winners of five playoff games over the best "fives" in the Southland...Norwalk (98-68), Arroyo (94-66), Bellflower (46-33), Ventura (56-51) and Sunny Hills (59-55), won when it counted to extend their unbeaten string to 62 straight victorates, nine more than the previous unblemished string of 53 set by another Compton area back in 1953-52

another Compton crew back in 1951-52.

Larry Hollyfield, according to coach Armstrong, is simply the "best forward in the C.I.F." The Helms Board didn't argue one bit and went a step further naming the Tarbabe ace the CIF's "Player of the Year". Larry led his team in scoring and had a 56% shooting mark from the floor. He averaged 18.8 points in 30 games, scoring 565 for the season.

The title brought to five the number won by Bill Armstrong during his 12 seasons at Compton. Under his direction, teams from Compton won crowns in 1958, 1961, 1963, and 1968-69. The Tarbabes have won seven overall crowns, when you add the pair won by Kenny Fagans' 1951-52 crews which boasted the likes of Jim Ritchie, Ben Daniels, George Selleck, Al Waner and Del Johnston.

Larry Hollyfield, together with the other 29 prep basketball standouts from the 1969 season, will be honored at Helms Hall at the 32nd annual All-Southern California Board of Basketball Awards Program to be held on Saturday morning, April 12th at 10:30 a.m. Twenty high schools are represented on the three, ten-man teams and all players including their coaches will be invited to attend the award ceremonies on the 12th.

It is interesting to note that in "major" high school competition -- among schools of the largest enrollment -- there have now been six occasions where teams have won back-to-back championships. In 1915-16-17, Whittier High won three straight crowns, in 1934-35 Santa Barbara did the remarkable and then L.B. Poly (1939-40 and 1964-65) and Compton (1951-52 and 1968-69) turned in doubles.

Compton and Ventura both placed three players on the teams, while Notre Dame, Huntington Beach, Muir, Sunny Hills, Covina and Troy placed a pair each. Sunny Hills, only a second place finisher in the Freeway League to Troy High, was the "AAAA" finalist team along with Compton...and surprisingly so off its record. The Lancers whipped four fine teams before going down to a closely contested defeat at the hands of the Tarbabes. Covina (65-58), Pacific (74-53), Huntington Beach (64-58) and Notre Dame (71-65) all fell victims to the sons from Sunny Hills.

Five performers are back from the 1968 all-star teams. Mike Contreras of Huntington Beach returns as a first team choice, while Brad McNamara of Sunny Hills and Compton's Larry Hollyfield move up from the second and third '68 teams respectively. Covina's Chuck McCormick and Huntington Beach's Roy Miller, second and third team members last year, are both second team picks this spring. Only four juniors were able to crack this year's 30-man lineup...three of them on the first team.

SAN MARCOS' DOUG LITTLE WINS TOP PLAYER

VOTE IN "AAA" CIF BASKETBALL FOR '69 SEASON

FOR RELEASE: THURSDAY AFTERNOON, MARCH 27TH and Friday a.m. ....

Douglas Little, high-scoring San Marcos High School forward who was a first team "AA" selection last season and a hardwood performer who set 18 school records in scoring and rebounding this past year, was named "Player of the Year in "AAA" Division CIF basketball for 1969 by members of the Helms Hall Board at their annual meeting at Helms Hall. Little, who distinguished himself in every quarter of Southern California this past season, gathered rave notices whereever he played and was a unanimous choice for top player honors.

"Little is not only the best player in the "AAA", and the best we have seen all season, but for my money he is the best in Southern California." This statement came from Chuck Riley, coach of the triple A division champion Beverly High Normans following their 69-65 win over the Royals in the 2nd round of the playoffs. All Little did was score 36 of his team's points against Beverly Hills and notch 21 rebounds....all of this while being guarded, often times, by three players. Over a two year span — he led his team to the Las Vegas City title as a sophomore — Doug scored 1,125 points in 49 games for a 22.9 average. Although San Marcos had a fine team, the Royals suffered a losing (11-13) season in 1969. It is among the very few occasions where a divisional Player of the Year has been selected off a losing team.

Beverly Hills, champion of "AAA" basketball in 1969 and winner of the CIF title for the first time in the school's history, placed two players on the two all-star teams. Center Rick Caesar, who led the Normans in scoring with a 20.9 point average, was named to the second team, while guard Jason Newman was a first-team pick. Beverly Hills beat San Marcos, 69-65, Nogales, 97-84, Bishop Amat, 95-75, and Santa Maria, 74-62 on its way to the triple A crown.

75, and Santa Maria, 74-62 on its way to the triple A crown.

Only one other school placed two players on the two teams. Garden Grove, champions of the G.G. City league and winner of 26 straight games before dropping a quarter-final engagement to Rowland, 73-71, placed center Alvin Carlson and forward Gary Berg on the first team. Eighteen schools are represented on the two allstar clubs and two juniors made the pair of ten-player squads. Rick Bales of Moreno Valley (first team) and Thomas Ferrato, Pius X (second team) are the under-classmen honored.

The 32nd annual All-Southern California Board of Basketball Awards Program will be held at Helms Hall on Saturday morning, April 12th at 10:30 a.m. All those named for "AAA" Team honors will be invited to attend the awards program along with their coaches to receive their framed scroll awards. Player of the Year Doug Little and title winning coach Chuck Reilly of Beverly Hills will be recipients of special medallion and silver tumbler awards. The 1969 honor teams follow:

KEITH BATISTE (VERBUM DEI) & STEVE McFALL (ATASCADERO) NAMED PLAYERS OF YEAR IN "AA" & "A" DIVISION CIF BASKETBALL FOR 1 9 6 9

FOR RELEASE: FRIDAY AFTERNOON, MARCH 28TH and Saturday a.m.
\*\*\* DO NOT HELEASE PRIOR TO RELEASE DATE:11!

A pair of top flight centers, both representing CIF divisional champion teams — Keith Batiste of Verbum Dei High School, "AA" Champions, and Steve McFall, center on Atascadero High's first ever "A" title team — have been selected as Southern California Basketball Players of the Year in their respective divisions by members of the Helms Athletic Foundation's All—Southern California Board of Basketball. Selections were made at the Board's annual meeting at Helms Hall, with some 20 members from throughout Southern California in attendance.

The Verbum Dei Eagles won the "AA" Divisional playoff 90-87 over the Katella Knights. And it was center Keith Batiste who led all Eagles scorers with 33 points. Verbum Dei, which disposed of Saddleback (80-51), San Luis Obispo (75-65), Bell Gardens (83-61) and Katella (90-87) on its way to the top CIF prize, wound up the season with a 28-1 record. The Eagles coach George McQuarn calls his star post pupil "An outstanding college prospect and fine team leader." Batiste was named the most valuable player in his league...the Santa Fe.

Atascadero, in winning its first basketball title in school history, had to get over Cate (77-41), Valley Christian (59-56), Elsinore (70-55) and Aquinas in the finale, 72-56. Steve McFall, the Greyhounds top point producer and rebounder, won top player honors unanimously. Coach Joe Wilmore credits Steve with bringing his club its first title in history (20-8 season) and his "stats" bear this out.

McFall scored 687 points in the Greyhounds 28-game season, for a 24.5 point average. Steve rebounded at an average clip of 18 per game. In four varsity years at Atascadero, McFall scored 1.535 points in 86 games for an 18.2 average.

years at Atascadero, McFall scored 1,535 points in 84 games for an 18,2 average.

Both McFall and Batiste will receive their Helms Player of the Year medallion awards at the 32nd annual All-Southern California Board of Basketball Awards Program to be held at Helms Hall on Saturday morning, April 12th at 10:30 a.m. All players will receive framed scroll awards and the title-winning coaches — George McQuarn of Verbum Dei and Joe Wilmore of Atascadero — will be honored with special Silver Tumbler awards.

There are no repeaters from last year's double or single A teams on this year's honor squads. Champion Verbum Dei placed three performers on the number one "AA" team, while runner-up Katella landed one first-team performer and two on the second ten. Other schools to place more than one player on the two "AA" teams are Hart, Temple City and Santa Clera. Thirteen schools appear on the "AA" teams.

The Helms Board selected a single 10-player "A" all-star team, with most of the honor spots accountably going to champion Atascadero and runner-up Aquinas... both schools landing two players each. Eight of the "A" division schools are represented on the 10-player club.

Four under-classmen were selected as first team "AA" team members, one junior being selected on the second team. Champion Verbum Dei junior Mike Blackshire was picked for first-team honors, while sophomore guard Ray Lewis was also picked on the number one squad. It appears that coach McQuarn may have another title season ahead in 1970. Two other first team juniors honored are Hart's Larry Bringham and Temple City's Ray Price. Newbury Park's Dale Best is the only underclassman on the second team. Pasadena Poly's Brian Heublein, the CIF's top shooter, average-wise, is only a junior, as is Ambassador's Randy Kumpe...both "A" division selections.

This marks the 32nd year that Helms Athletic Foundation, through its All-Southern California Board of Athletics, has sponsored awards for high school basket-ball performers. Down through the years, thousands of interscholastic athletes have received Helms awards for their achievements on the basketball court. Each year, at the annual basketball awards ceremonies, players, coaches and specially invited guest personalities gather at Helms Hall for award ceremonies.

#### VOIT PRESENTS BASKETBALLS TO HONORED PLAYERS

The AMF - VOIT Rubber Company, as it has so kindly done over the past, will present miniature basketballs to each of the honored CIF players. Loyd Tutor, National Sales Director of AMF-VOIT will be on hand at Helms Hall to make the presentations to the honored athletes.

Saturday morning, April 12th at 10:30 a.m. Coaches and specially invited guests from the field of basketball will gather at the Helms sports shrine to receive awards from the Helms Foundation for their achievements in basketball during 1969.

# GREG LEE, RESEDA JUNIOR, NAMED LOS ANGELES CITY BASKETBALL PLAYER OF YEAR FOR 1969

FOR RELEASE: TUESDAY, FEBRUARY 18th....and after \*\* \* DO NOT RELEASE PRIOR TO RELEASE DATE: TUES. FEB. 18 A.M.

Greg Lee, junior guard on the West-Valley League's champion Reseds Five which went all the way to the city playoff finals before dropping the title match

to Palisades, 85-57, was named Los Angeles City Basketball Player of the Year for 1969 by members of the Helms Athletic Foundation's prep board of athletics. Lee, who was an all-city selection (third team) last year as a sophomore, led Reseda to a perfect 8-0 West-Valley League season and then to three straight playoff victories over Verdugo Hills (89-66), Bell (77-65) and Dorsey (74-58) before coming up against Western League kingpin Palisades in the title decider.

Coach Marvin Lee, Greg's dad, speaks in glowing terms of his "home-taught" product. "He's a good rebounder....a great passer (had 152 assists)...averaged 7 rebounds....played good defense," commented his proud daddy. Greg wound up the league season as the 4th high city scorer with a 27.3 average in eight loop encounters. He averagedslightly less in 18 season games...25.9 points...as he led his club to an over-all 17-3 mark.

Palisades, which won its first basketball title in the school's history and gave the Western League its first title since 1954 when University won it (and coincidentally both clubs were coached by Marvins...Jerry junior and senior), placed three performers on the three all-city clubs. Ken Baker and Chris Marlowe were first team picks, while guard Doug King was a third-team selection. Both Marlowe and Baker were named to the city playoff tournament team.

Palisades closed out the 1969 season with an 18-1 record. Oddly, the only loss incurred by the Dolphins came at the hands of Reseda in a mid-season practice game, 82-68. Reseda placed forward Gary Franklin, another junior, on the second city team. The Helms Board, as in recent years, named three six-player teams, seven appearing on the third squad due to a tie in the voting. It is interesting to note that the three juniors on the honor teams this year come from the finalist teams, Palisades and Reseda.

Four league players of the year were first team selections....Chris Marlowe (Western), Greg Lee (West-Valley), Lamar Anderson (Marine), and Bruce Clark (Eastern) ....two top player choices, Reginald Ball (Southern) and Leo Martinez (Mid-Valley), were second team choices, while Jeff Bennett (East-Valley) and Marlo Rojas (Northern), both player of the year picks, were named to the third team.

Sixteen players in city league action this past season averaged 20 points or more per contest. Eleven of these, including city record-holding scorer John Starkins of Marshall, are all-city selections. Coach Lou Wheeler's "gumner" John Starkins set a new Los Angeles City scoring record of 369 points in 10 games. He bettered the old mark of 363 in 10 contests set by Curtis Rowe, who was 1967 city player of the year from Fremont.

Fifteen Los Angeles city high schools are represented on the 1969 teams. Palisades (3), Reseda (2) and Jefferson (2) placed more than one representative. There were four outright league champions in the city this past season — Jordan, Palisades, Reseda, and Poly — and each of them won its first round game, with Reseda and Palisades going to the finals.

This marks the 32nd year that Helms Athletic Foundation has coordinated the selection of Ios Angeles city high school all-star basketball teams...through its All-Ios Angeles City Board of Athletics. At the close of each season, members of the Helms Board gather at Helms Hall to make their all-star team selections. Players named for all-league and all-city honors receive special scroll awards and players of the year are recognized with medallions. Title winning coaches receive the traditional silver tumbler award.

As in past years, the 32nd annual All-Southern California Board of Basketball awards program will be held at Helms Hall sometime late in March. All players named for city and C.I.F. all-star team honors will be invited attend.

## LAMAR ANDERSON, JORDAN CENTER, IS HOLDS CHOICE AS TOL PER ORITR IN MAKINE LEAGUE

FOR MILLISS: FRIDAY AFTELLOON, Fib. 14th and after ....

The Helms Athletic Foundation's 11-los Angeles City Board of Basketball in cooperation with Parine League coaches, released the 1969 All-Marine League Basketball Team, with champion Jordan High School's Lamar anderson being named for "Player of the Year" honors. Anderson led Jordan through a tough league race as the Bulldogs won all 12 of their league engagements and then pounced on Granada Mills 107 to 86 in the first playoff round. Jordan then fell before mighty Jefferson, 95-87.

As in the case of the Vestern League where seven teams perform, six players were selected by the board on both the first and second teams. Both Lamar Anderson and Willie Davis of Locke were named to the Varine League teams last year, Lamar on the first team and Davis on the second. Both of these boys were high scorers, having led the loop with identical 21.1 averages.

This marks the 32nd year that 'elms Athletic Foundation has sponsored All-Los Angeles City Board of Athletics. Boys have been honored with awards since 1937 and their exploits have been recorded at Helms Hall.

Carson and Locke finished in a tie behind Jordan for 2nd place in the league standings (8-4), with Locke defeating Carson 70-63 in the playoff for a city tournament berth. Locke then fell to Poly in the tourney's first round 71-66.
