2024 Girls Volleyball FINAL Playoff Rankings Report

The information in this report came directly from CIFSSHome and your entered schedule as of Wednesday, **October 13, 2024**, at 10:00pm. No other outside source can or will be used to collect the information. All matches/results except for one set contest should be entered.

The “Rating” column will be the one used to determine your team’s playoff division at the end of the regular season.

The “SoSched” column will be used to break a potential tie between two or more teams that have identical ratings.

As of Thursday, October 17 at 1:00pm the schedules were locked and the ratings from the last report are the ones you see on the following pages.

Due to the complexity of this system no adjustments will be made.

Division 1 will be an 8-Team pool play tournament. Please review the Playoff Bulletin for details.

Division 2 through 10 will be a 32-Team single elimination tournament.

There were 282 automatic entries from 88 leagues. This resulted in two (2) At-Large entries available in Division 2, 3, 4, 5, and 6 and one (1) At-Large entry available in Divisions 7, 8, 9, and 10. The At-Large selections were based on the team’s overall power ranking and the highest ranked within each division was selected.

Brackets will be available on the CIFSS.org website at 10:00am on Saturday, October 19th.
