## 2024 Girls Volleyball Playoff Rankings Report #5

Athletic Directors and Head Coaches please review the following pages for accuracy.

Rankings will change as the season progresses and school review, correct and continuously update their individual results.

The information in this report came directly from CIFSSHome and your entered schedule as of Sunday, **October 13, 2024**. No other outside source can or will be used to collect the information. If you have only entered information into MaxPreps or another source, you must correct that information now. All matches/results except for one set contest should be entered.

The “Rating” column will be the one used to determine your team’s playoff division at the end of the regular season.

The “SoSched” column will be used to break a potential tie between two or more teams that have identical ratings.

If you see a discrepancy on your schedule, it is due to one of your opponents listing the wrong school on their schedule. Please re-check your entire schedule and confirm you have clicked on the correct opponent.

A one set match should not be listed on your schedule.

Several schools still had “TBA” entered on their schedule as of Sunday. They are: La Sierra, Whitney, Los Osos, Estancia, Jurupa Valley, Palm Desert, Animo Leadership, Montebello, Acaciawood Academy, Whittier, Troy, Loma Linda Academy, Santa Fe, and Santa Ana.

Look for any duplicate matches or entries that are +/- a day. If the opponent has an incorrect date the match will appear twice on your schedule. For example School “A” enters the match took place on a Friday and School “B” enters the match took place on a Saturday.
