2024 Girls Volleyball Playoff Rankings Report #3

Athletic Directors and Head Coaches please review the following pages for accuracy.

Rankings will change as the season progresses and school review, correct and continuously update their individual results.

The information in this report came directly from CIFSSHome and your entered schedule as of Sunday, **September 29, 2024**. No other outside source can or will be used to collect the information. If you have only entered information into MaxPreps or another source, you must correct that information now. All matches/results except for one set contest should be entered.

The "Rating" column will be the one used to determine your team's playoff division at the end of the regular season.

The "SoSched" column will be used to break a potential tie between two or more teams that have identical ratings.

Please removed all one (1) set matches from your schedule. These are not official contests.

Please update all tournament information with the correct opponent, date and results. Remove the "TBA" as the opponent.

Look for any duplicate matches or entries that are +/- a day. If the opponent has an incorrect date the match will appear twice on your schedule.

Check opponents on your schedule to confirm you have selected the correct team from the drop-down menu. The report is showing that several schools incorrectly selected a middle school / junior high as the opponent. These schools have appeared on the report:

CSDR/Middle School

Calvary Chapel Middle School

Spring View Middle School

The Grove School Middle School

Martin Luther King Jr. Middle School

Mesa Grand Academy Middle School

Los Altos Elementary School
