## 2024 Girls Tennis Playoff Rankings Report #1

Athletic Directors and Head Coaches -

Rankings will change as the season progresses and as schools review, correct and continuously update their individual results. Attached are the 1<sup>st</sup> rankings of the season.

The information in this report came directly from the USTA Serve Platform based on your entered rosters, schedules and results as of Thursday, **Oct. 3, 2024**. No other outside source can or will be used to collect the information. All matches/results, including team & individual scores must be entered in the USTA platform.

### Girls Tennis Results are to be entered in:

- **USTA SERVE PLATFORM: All team & individual scores.** Check opponents on your schedule to confirm you have selected the correct team from the drop-down menu.
- **CIFSSHOME : Team results (as has been done in the past).**

**Teams names in the ranking that are listed in green need to update their rosters, make sure their scores are up to date, &/or continue to input their matches which helps players develop a “high confidence” ranking.**

**The following schools are not eligible for the playoffs as of today, 10/3/24. To rectify this, please claim your team, update your schedule, and register your athletes on the USTA Serve Tennis platform. Record you scores for both team and individuals.**
