Girls Tennis Rankings #3 - 10/22/24

The information in this report came directly from CIFSSHome & the USTA Serve Platform on October 18, 2024.

Please review your schedules & scores in CIFSSHome. If you have only entered information into the USTA Serve Platform, you must add team results into CIFSSHome. All matches/results should be entered. If you see a discrepancy on your schedule, it is due to one of your opponent's listing the wrong school on their schedule.

Please re-check your entire schedule and confirm you have clicked on the correct opponent. Several schools still had “TBA” entered on their schedule as of today. Another school has a “middle school” on their schedule. Look for any duplicate matches or entries that are +/- a day. If the opponent has an incorrect date the match will appear twice on your schedule. For example, School “A” enters the match took place on a Friday and School “B” enters the match took place on a Saturday.

This information is vital to our rankings as we move closer to the end of the season & playoff brackets are released. Rankings will change as the season progresses and school review, correct and continuously update their individual results. Thank you to your attention to this matter.

The following teams are not eligible for the playoffs at this time:

Littlerock, Savanna, Paraclete
