

2024 Girls Golf Playoff Rankings Report – October 21, 2024

Below you will find the fourth and final ranking report in Girls Golf for the 2024 season. We ask that all coaches and Athletic Directors check the information regarding their school for accuracy.

The data used to compile these rankings comes from the iWanamaker system and the CIF-SS Golf app. Scores for all contests during the season **must** be entered into the CIF-SS Golf app to have our rankings be as accurate as they can be by the end of the season. All teams must have at least six (6) 9-hole rounds entered into the system to qualify for post season play.

The updated number of entries and regional placement for the Individual Regional tournaments will be posted on the cifss.org website in the playoff bulletin (page 15) on Monday, October 21, before 12:00 p.m.

Girls golf team and individual league entries are due to this office by 9:00 a.m. on Friday, October 25. Entry input instructions have been sent to league tournament directors and league coordinators.

At-Large petitions will still be required by any school wishing to enter the post season playoffs that are not the league champion. See page 21 of the playoff bulletin for instructions. This process confirms to the office that your school wishes to participate in post-season play, if offered placement. Deadline is 9:00 a.m. on Friday October 25. This is a hard deadline. No late petitions will be accepted. These scores need to appear in the CIFSS Golf app via iWanamaker in order to be considered for post season play.

Best of luck throughout the rest of the season.
