2024 Girls Golf Playoff Rankings Report – October 9, 2024

Below you will find the second ranking report in Girls Golf for the 2024 season. We ask that all coaches and Athletic Directors check the information regarding their school for accuracy.

The data used to compile these rankings comes from the iWanamaker system and the CIF-SS Golf app. Scores for all contests during the season **must** be entered into the CIF-SS Golf app to have our rankings be as accurate as they can be by the end of the season. All teams and individual players must have at least six (6) 9-hole rounds entered into the system to qualify for post season play.
