

SUMMER WORKSHOPS

The CIF Southern Section Office has designed several free workshops to help your athletic administration and pertinent staff brush up on important eligibility rules, processes and computer programs utilized by all athletic departments in our section. We strongly encourage athletic directors, athletic secretaries, and vice principals in charge of athletics to attend. There is a minimum of 30 attendees required for a workshop to take place. It is requested that you bring a tablet or laptop with WiFi capability with you to these workshops as a portion of the session will be hands-on. Please click on the link below to reserve your place.
