

2025 Boys Golf Playoff Rankings Report – April 14, 2025

Below, you will find the third ranking report for Boys Golf in the 2025 season. We ask that all coaches and athletic directors verify the accuracy of the information regarding their school.

The data used to compile these rankings comes from the iWanamaker system and the CIF-SS Golf app. Scores for all contests during the season **must be entered into the CIF-SS Golf app to ensure our rankings are as accurate as possible** by the end of the season. All teams must have played at least six (6) 9-hole rounds to qualify for post-season play.

The updated number of entries and regional placement for the Individual Regional tournaments will be posted on the cifss.org website in the Playoff Bulletin (page 12) on Monday, April 28, by 12:00 p.m. As a reminder, athletes must have six (6) rounds in iWanamaker to be included in the top 360 that will be used to determine number of entries into the individual post-season play. Leagues will determine their entries and move players forward as they have always done based on league finals and league bylaws. An athlete may not have six (6) rounds in the system and still advance. This refers to individual play only. Team qualification is a minimum of six (6) rounds.

Boys golf team and individual league entries are due to this office by 9:00 a.m. on Friday, May 2. Entry input instructions will be sent to league tournament directors and league coordinators.

At-Large petitions will still be required from any school wishing to enter the post-season playoffs that are not the league champion. See page 19 of the playoff bulletin for instructions. This process confirms to the office that your school wishes to participate in post-season play, if offered placement. The deadline is 9:00 a.m. on Friday, May 2. This is a hard deadline. No late petitions will be accepted. Every At-Large Petition received will be acknowledged with a reply email. If you do not receive a reply email, your petition was NOT received. These scores need to appear in the CIFSS Golf app via iWanamaker to be considered for post-season play.

I wish you the best of luck throughout the rest of the season.
