## ***Boys Tennis Rankings #2 - 4/7/25***

The information in this report came directly from CIFSSHome & the USTA Serve Platform on April 6th. The rankings are a blend of Massey & the WTN ratings.

**Please review and update your schedules & scores in CIFSSHome. There are many schools missing scores which directly affects the rankings. Please update CIFSSHome ASAP!**

If you have only entered information into the USTA Serve platform, you must add team results into CIFSSHome. All matches/results should be entered. If you see a discrepancy on your schedule, it is due to one of your opponent's listing the wrong school on their schedule.

Please re-check your entire schedule and confirm you have clicked on the correct opponent. Several schools still had "TBA" entered on their schedule as of today. Another school has a "middle school" on their schedule. Look for any duplicate matches or entries that are +/- a day. If the opponent has an incorrect date the match will appear twice on your schedule. For example, School "A" enters the match took place on a Friday and School "B" enters the match took place on a Saturday.

This information is vital to our rankings as we move closer to the end of the season & playoff brackets are released. **Rankings will change as the season progresses and schools review, correct and continuously update their individual & team results.**

Thank you to your attention to this matter.
