Boys Tennis Rankings #3 - 4/15/25

The information in this report came directly from CIFSSHome & the USTA Serve Platform on April 12th. The rankings are a blend of Massey & the WTN ratings.

Please review your schedules & scores in CIFSSHome. There are many schools missing scores which directly affects the rankings. Please update CIFSSHome ASAP!

If you have only entered information into the USTA Serve Platform, you must add team results into CIFSSHome. All matches/results should be entered. If you see a discrepancy on your schedule, it is due to one of your opponent's listing the wrong school on their schedule.

Please re-check your entire schedule and confirm you have clicked on the correct opponent. Several schools still had "TBA" entered on their schedule as of today. Another school has a "middle school" on their schedule. Look for any duplicate matches or entries that are +/- a day. If the opponent has an incorrect date the match will appear twice on your schedule. For example, School "A" enters the match took place on a Friday and School "B" enters the match took place on a Saturday.

This information is vital to our rankings as we move closer to the end of the season & playoff brackets are released.

Rankings will change as the season progresses and schools review, correct and continuously update their individual & team results.

The CIF Southern Section Office will be closed April 18-22, 2025. Rankings #4 will be posted Wednesday, April 23.

Thank you.
