

Regular Meeting of the Council

April 16, 2026

9:00 a.m.

The Grand Conference Center, Long Beach, CA

Agenda

1. OPENING BUSINESS	DISPOSITION	ITEM
----------------------------	--------------------	-------------

A. Call to order by Dr. Paula Hart Rodas, President of the Council

The meeting was called to order at 9:04 a.m.

B. Pledge of Allegiance

C. Roll Call

D. Introduction of Guests

Guests introduced included Dr. Ron Nocetti, State Executive Director of the CIF, Eric Sondheimer from the Los Angeles Times and Steve Fryer from the Orange County Register. Executive Committee members in attendance introduced themselves.

E. Adopt Agenda

Adopted

There was a motion by the Big VIII League and a second by the Ivy League to adopt the agenda. The motion carried 84-1-0

F. Approval of Minutes

1. Minutes of September 25, 2025, Council Meeting

Approved

1F1

There was a motion and a second to approve the minutes from the January Council Meeting. The motion carried 84-0-0.

2. PUBLIC HEARING SESSION

A. Recognition of anyone wishing to address the Council. Speakers must limit their remarks to three minutes.

Josh Brodt from the San Fernando Valley Fellowship of Christian Athletes spoke about FCA's mission and programs. There are many opportunities available including camps, guest speakers, support for student groups and other training courses. There is an upcoming camp at Pomona Pitzer where over 500 athletes are expected across multiple sports, both girls and boys.

3. NON-ACTION ITEMS**DISPOSITION****ITEM****A. STATE FEDERATED COUNCIL NON-ACTION ITEMS**

1. Proposed Revision to Bylaw 503.M - Spectators Non-Action STATE 693

Bylaw 503 was discussed (spectator behavior), particularly regarding court/field storming. There was an emphasis on schools having a proactive plan and clear communication to prevent dangerous situations. ADs should work closely with activity directors to set expectations early and consider scripted pregame messaging similar to playoff announcements. Ramifications/penalties were described as progressive and section-dependent, starting with conversations and potentially escalating to written plans and possible restrictions, such as not hosting playoffs if issues persist. Discussion clarified that “court storming” focus is primarily immediate, unsafe rushing that could endanger officials/athletes. Delayed, controlled celebrations after a pause were framed more as a site-management issue

B. SOUTHERN SECTION NON-ACTION ITEMS

1. Proposed Revision to Bylaw 3514 - Non-Action SS 694
Number of Playoff Entries

Proposed revision to align 11-man football playoff qualification with other sports (i.e., Five and six-team leagues get 3 entries, seven-team leagues get 4 entries etc.) was presented. This will require adding more football divisions to accommodate additional automatic entries.

2. Proposed Revision to Bylaw 1223.3 Non-Action SS 695
Summer Dead Period

Proposed revision to the summer dead period was presented. This proposal keeps the 14 total dead-period days but adds flexibility by splitting them into a school-wide 7-day period for all sports and a sport-specific 7-day period consistent across levels. Multi-sport athlete concerns raised; the flexible model could reduce continuous time off for athletes in multiple sports; response noted schools could still choose a consecutive 2-week window if preferred.

4. ACTION ITEMS**DISPOSITION****ITEM****A. STATE FEDERATED COUNCIL ACTION ITEMS**

1. Proposed 2026-27 CIF State Budget Approved STATE 686

There was a motion and a second to approve STATE 686. There was no discussion. The motion carried 85-1-0.

2. CIF State Executive Committee Nominations Approved STATE 687

There was a motion and a second to approve STATE 687. There was no discussion. The motion carried 85-1-0.

3. Proposed Revision to Bylaws 1505/2804 - Approved STATE 688
State Baseball/Softball Championship

There was a motion and a second to approve STATE 688. There was no discussion. The motion carried 72-10-0.

5. REPORTS (Cont.)

B. President's Report

Dr. Paula Hart Rodas

Dr. Paula Hart Rodas delivered her final report, highlighting the growth of girls flag football (participation doubled; added divisions and championship opportunities), the shift to a same-season data playoff system, improving fairness, transparency, and more appropriate matchups and the continued progress in Unified Sports and collaborative support during fire-related disruptions (schools hosting displaced teams). She highlighted the expanded championship opportunities and strengthened partnerships created throughout the year.

C. Commissioner's Report

Mike West

Commissioner West thanked the council for passing the budget; hiring postings to go out the next day for the new assistant commissioner, new marketing coordinator, and replacement for the communications coordinator role. Hiring timeline target: complete hiring before July 1, with new hires beginning in July. Office facilities/building options: no research spending yet, but site visits and planning are underway to support the expansion of office capacity from 17 to 20 staff. Ongoing goals and updates included continued refinement of playoff/ranking systems, creation/expansion of a small schools committee and survey, and ball contract negotiations (agreements with all but one partner). Reminder of upcoming executive committee meeting dates: May 12 (9 AM), Aug 5, Sept 17, and a meeting in the building on Sept 24 (9 AM).

2025-2026 CIF Southern Section Goals Report

Mike West, Commissioner of Athletics

During the 2025–2026 school year, the CIF Southern Section made progress on several priorities, including refinement of the same-season data playoff system, stronger engagement with small schools, renegotiation of sport-specific ball contracts, proposed revision of the Financial Policy, and continued development of the Student Athlete Advisory Council. In addition, the office made progress on several long-range priorities related to section governance, communication, media rights, facilities, student opportunities, and the enhancement of operational procedures.

This report reviews progress made toward the goals established for the 2025–2026 school year and highlights additional initiatives undertaken by the CIF Southern Section office.

1. Continue to Enhance the Same-Season Data Playoff System

- The second year of implementing same-season data to establish playoff divisions was completed successfully across all affected sports.
- Targeted refinements were made to the first-year algorithms in several sports in order to improve accuracy, transparency, and competitive balance.
- Examples explaining how divisions are established have been added to sport-specific pages on the CIF Southern Section website and/or included in Playoff Bulletins.
- Regular reminders were sent to member schools emphasizing the importance of maintaining accurate schedules and scores throughout the season.
- Commissioner’s messages further clarified how the year-two system differs from the two years preceding implementation.
- Available data indicates that the competitive equity model is producing closer and more competitive playoff contests on average.

2. Improve Communication and Connection with Small School Membership

- A CIF Southern Section Small Schools Committee was established, consisting of athletic directors from across the Section who represent and understand the needs of the small school community.
- A Small Schools survey was conducted to assess whether current CIF Southern Section services are meeting member needs and to identify opportunities for improvement.
- The Commissioner and Assistant Commissioners attended numerous Small School league meetings during the second half of the school year.
- A small-school focused topic is planned for inclusion in the 2026 Athletic Administrators Summit.

3. Re-negotiate Ball Contracts for Every Eligible Sport

- Ball contracts with Mikasa (boys and girls indoor volleyball), Rawlings (baseball and softball), and KAP7 (boys and girls water polo) have been renewed and signed.

- Contracts with Wilson (boys and girls basketball, girls flag football, football, boys and girls soccer, and girls beach volleyball) and Penn (boys and girls tennis) remain under negotiation.
- Following the feedback gathered through the official ball survey distributed to all member schools last year, the official softball model will change while the Section remains aligned with Rawlings as the official provider.

4. Revise and update the CIF Southern Section - Financial Policy

- A proposal to amend Bylaw 144 – Financial Policy was scheduled for Executive Committee action on April 14 and Council action on April 16.
- If approved, the revised model for hosted tackle football, basketball, and volleyball playoff contests will distribute gross revenue, less officials' fees, as follows: 40% host school, 23% visiting school, and 37% CIF Southern Section.
- Under the revised model, host schools would maintain responsibility for game-related expenses, visitors would remain responsible for travel expenses, and the previous expense-reporting requirement to the CIF Southern Section would be eliminated.

5. Establish and Enhance a Student Athlete Advisory Council

- Three meetings of the Student Athlete Advisory Council were held during the 2025–2026 school year.
- Student members supported section championship events through medal presentations, event assistance, and social media participation.
- Student perspectives on a variety of education-based athletics issues were gathered and shared with the Commissioner.
- Planning is underway to expand CIF-sponsored student leadership opportunities at the school-site, district, and Southern Section levels in future years.

Ongoing Initiatives, Projects, and Programs

In addition to the priority goals above, the CIF Southern Section continued to address, maintain, or monitor the following initiatives during the 2025–2026 school year:

Initiative	Progress / Status
Transfer Integrity	Improved identification of fraudulent paperwork submitted in support of Valid Change of Residence transfers.
Media Rights	Continued negotiation of an updated Media Rights Agreement with the NFHS Network and Spectrum Communications.
Facilities Planning	Advanced planning related to renovation of the current CIF Southern Section office or relocation to a

	new facility, contingent upon adoption of the 2026-2027 budget.
Unified Sports	Launched the first Unified Sports Flag Football Tournament co-sponsored by the CIF Southern Section and the Special Olympics of Southern California.
Artificial Intelligence	Began exploring the potential use of artificial intelligence to assist in the processing and evaluation of transfer matters.
Institutional History	Produced <i>The History of the CIF Southern Section</i> video and hosted a premiere showing for invited guests. Officially announced that, beginning in the 2026-27 school year, the CIF Southern Section Masters Wrestling Tournament will be renamed the CIF Southern Section - Dr. John S. Dahlem Masters Wrestling Tournament.
Championship Expansion	Organized and implemented the first CIF Southern Section STUNT Championship at Brea Olinda High School.
Signature Events	Hosted the Open Division CIF Southern Section Football Championship at the Rose Bowl for the second time in four years.
Professional Outreach	Presented at the California Activities Directors Association annual meeting in Reno regarding best practices for establishing and managing a student section at athletic contests.
Releaguings	Completed a four-year releaguings process and managed appeals for several Orange County schools.

Continuing Strategic Focus Areas

The following items remain continuing areas of focus for the CIF Southern Section office and should guide planning and action into 2026-2027:

1. Enhance communication among the CIF Southern Section office, member schools, and the Executive Committee.
2. Maintain and strengthen title sponsorships, media rights, and linear television agreements.
3. Maintain and enhance the CIFSSHome 2.0 platform for member schools.
4. Implement and/or ratify new rules changes in a timely and well-communicated manner.
5. Provide meaningful professional growth opportunities for member schools and athletic administrators.
6. Maintain fiscal responsibility for both member schools and the Section office.
7. Continue to examine issues involving public and private schools.
8. Promote and support officials' recruitment, retention, and recognition.
9. Explore additional opportunities for student participation in a variety of settings.

10. Work cooperatively with the CIF State office and the other nine CIF sections.
11. Expand relationships with the National Federation of State High School Associations.

Conclusion. The 2025–2026 school year reflected measurable progress on several major strategic priorities while also advancing a broad range of operational and programmatic initiatives. Collectively, these efforts support the CIF Southern Section’s commitment to competitive equity, service to member schools, sound governance, fiscal responsibility, and an improved student-athlete experience.
