CIF SOUTHERN SECTION ANNOUNCES 33RD YEAR OF COMMISSIONER'S CUP CHAMPIONS

LOS ALAMITOS, CA – The CIF Southern Section is proud to announce the top girl's and boy's athletic programs during the 2025-2026 school year. This marks the 33rd year the CIF-SS has honored schools with the Commissioner's Cup.

On the girl's side, Santa Margarita took first place with a total of 33 points, with championship titles in golf, volleyball, soccer and swimming and diving. The Eagles were runners-up in cross country, tennis, traditional competitive cheer and lacrosse.

JSerra Catholic took 2nd place by scoring a total of 30 points. The Lions won championship titles in cross country, golf, flag football, softball and track and field. JSerra Catholic were finalists in beach volleyball and semifinalists in volleyball.

On the boy's side, Mira Costa took 1st place through a tiebreaker with a total of 23 points, with championship titles in baseball, lacrosse, volleyball and track and field. They were also semifinalists in water polo and earned a 4th place finish in cross country.

Loyola took runner-up honors by scoring a total of 23 points but finished second overall due to a tiebreaker. The Cubs took championship titles in water polo and lacrosse. This recognition program is based upon comprehensive excellence in CIF Southern Section athletic competition for both the boys' and girls' sports. The purpose of this event is to enhance the spirit of competition, sportsmanship, and goodwill among student-athletes and member schools.

"We applaud the accomplishments of these programs due to their hard work and dedication that has resulted in their success," said Mike West, Commissioner of Athletics. "This competition involves the entire athletic programs at our member schools and recognizes overall excellence throughout the 2026-2027 school year," added West.

Winners have been determined by a point system which provides: five points for a divisional championship; three points for a divisional runner up; two points for advancing to the semifinal round or a third-place finish on a team place-finish sport (i.e., cross country, golf, swimming & diving, and track & field); and one point for a fourth-place finish in a team place-finish sport. In cases where a tie occurred, several methods were used to determine the top 10 schools.
