3. NON-ACTION ITEMS	DISPOSITION	ITEM
---------------------	-------------	------

A. STATE FEDERATED COUNCIL NON-ACTION ITEMS

1. Proposed Revision to Bylaw 503.M - Spectators	Non-Action	STATE 693
--	------------	-----------

President-Elect Rob Dearborn presented the proposal requesting revision to Bylaw 503.M as it relates to spectators storming the court or field. This would put the onus on school sites to have in place plans to prevent these activities. This revision would be effective immediately if it passes. This is not the milling around on the court at the end of a game. Gives leeway for the Commissioner to help determine consequences to the action. Building relationships between schools and with facilities is key in helping with keeping these events at bay.

B. SOUTHERN SECTION NON-ACTION ITEMS

1. Proposed Revision to Bylaw 3514 - Number of Playoff Entries	Non-Action	SS 694
---	------------	--------

President Dr. Alexis Barile presented the proposal requesting revision to Bylaw 3514 as it relates to number of playoff entries to align football with all other sports. Implementation for this revision would be for the 2027-2028 school year. With more conferences and more five team leagues, it is desired to bring automatic football entries in line other sports which would be three entries for five team leagues instead of only two. This came from a conference area that relegues every two years which may make a difference in how this proposal is perceived. This will increase the number of divisions and/or allow for fewer at large teams. This would also impact State entries especially with an increase in divisions at the lower end of the spectrum.

2. Proposed Revision to Bylaw 1223.3 - Summer Dead Period	Non-Action	SS 695
--	------------	--------

President Dr. Alexis Barile presented the proposal requesting revision to Bylaw 1223.3 as it relates to the Summer Dead Period. Each school would select a seven (7) day period for all sports at the school to be dark and then another seven (7) day period for all levels of each sport. Under this proposal, multi-sport athletes would probably not get a full two weeks of break. What about dictated dead periods from the office per sport? Is two weeks really that much of a burden on any sport program?

Summary:

The committee will consider a proposal to add Bylaw 503.M. - Spectator (2) to address incidents in which spectators physically assault a person other than a game or event official (Bylaw 210.C. already address those instances).

Fiscal Impact:

None

Background:

There are currently Bylaws in place to address when a student-athlete, coach or spectator assaults a game or event official (See Bylaw 210). However, there is a need to address when a spectator commits physical assault not involving a game or event official. This Bylaw addition would address those occurrences.

This Bylaw amendment will be for immediate implementation upon approval of the Federated Council.

- (3) Third Ejection: Player is ineligible to participate for the remainder of that season. Player may remain on the bench for the duration of that contest and may be on the bench in street clothes for the team's remaining contest that season. The school principal may appeal the penalties listed above in writing to the League Commissioner/President (for a regular season contest, excluding the final contest before Section playoffs) or the CIF Section Commissioner with jurisdiction in the matter (for the final contest before Section playoffs and all playoff contests). The Section must receive the appeal within 48 hours of the date of the ejection. Reasons for the appeal may only include misidentification of the ejected player or a misapplication of the rule. There will be no appeal regarding the judgment of an official.

Note: There is no appeal process for single-game ejections.

Spectator:

- (10) If a spectator is ejected from a contest, it is the responsibility of the school to ensure that person does not attend that team's next contest. If the same spectator is ejected a second time, it is the responsibility of the school to ensure that person does not attend any of the remaining contests for that season.
- (11) Any spectator who commits physical assault immediately prior to, during, or immediately following an interscholastic athletic contest shall be permanently banned from attending interscholastic athletic contests. School administration and/or athletic staff shall immediately notify their local CIF Section Office and CIF State Office whenever the school has knowledge of an assault at an interscholastic contest in which their school participated or of an assault occurring on their school's grounds associated with an interscholastic athletic contest.

NOTE: Definition of a Physical Assault: A physical assault is the intentional infliction of or an attempt to inflict a harmful or offensive touching or contact upon the person. Note that the rule is violated even if no contact is made with the other person. Such conduct shall include verbal threats and/or intimidation either or before, during or after the contest. All that is required is the “attempt.” However, the act constituting the attempt must be accompanied by a specific intent, which may be inferred from the circumstances and nature of the act, to inflict a harmful or offensive touching contact of the other person.

Enforcement:

See Bylaw 503. M. and Article 22.C.(1)(2)(3)(4)

- (12) The Executive Director and/or Executive Committee or Section Commissioner and/or Section Board of Managers shall have the power to suspend, to fine, or otherwise penalize any member school for the violation of any CIF or Section rules and regulations or for just cause. The period of suspension or other penalty shall be left to the discretion of the CIF governing body that has jurisdiction of the matter, where the penalty is not fixed.

(Limited Eligibility Applications) above may not subsequently be granted unlimited eligibility for that same sport during the same season at the new school; AND
- (vi) No student shall be eligible to participate in the same sport at two (2) different schools in the same school year unless the student changed schools as a result of a valid change of residence or pursuant to a hardship approved by their respective CIF Section; AND
- (vii) A completed Unlimited Transfer Application (please use local CIF Section Form) and documentation required by the CIF Section is received by the respective CIF Section office and has been processed, reviewed and approved; AND
- (viii) One (1) of the following hardship circumstances is documented to the satisfaction of the respective CIF Section:

The student may be determined to have unlimited residential eligibility upon receipt of the CIF application (please use local CIF Section Form) and sufficient documentation (including but not limited to a copy of the divorce papers and custody agreements) to satisfy that CIF Section Commissioner that the circumstances meet

this criteria. The student will become eligible for varsity competition upon notification to the new school of the approval of such an application by the CIF Section.

(c) **Individual Student Safety Incidents**

Unlimited eligibility may be granted by the CIF Section in which the student's new school is located when a student is transferring as a result of a specific, documented safety incident in which the student was involved and all provisions listed above in c.(i-vii) are met. The student may be determined to have unlimited residential eligibility upon receipt of the CIF application (please use local CIF Section Form) and sufficient documentation is submitted to satisfy that CIF Section Commissioner that the circumstances meet this criteria. Required documentation may include, but is not limited to, administrative records and documentation from the former school about the specific safety incident that occurred at the former school and/or police records (if any). The student will become eligible for varsity competition upon notification to the new school of the approval of such an application by the CIF Section.

(d) **Discontinued Program**

Proposal Summary: This proposal would require the implementation of a double first base for baseball for all CIF contests starting in the 2027 season. The proposal would also allow for the usage of an 18 inch base at non-member school facilities if the double first base system is not available.

Fiscal Impact: Depends on the brand/style of the current base system used and the anchor support systems. Costs range from \$150 to \$600 for the double first base.

Background: In the Summer of 2025, the NFHS passed the implementation of a double first base for all games starting in the 2027 season to reduce the potential for collisions at first base and enhance player safety. In the Summer of 2026, the NFHS provided the option to use an 18-inch first base or the double first base to provide flexibility based on facilities, while enhancing player safety.

This Bylaw amendment will be for immediate implementation upon approval of the Federated Council.

Rule Number Affected: 1223.3

Implementation Date: Summer 2027

Abstract: (Please add any supporting documents.)

1223.3 A summer dead period must be declared by the school district and/or principal for all sports. The dates of the dead period must be forwarded to the Southern Section Commissioner. The dead period must be the same for all sports all levels and must be two consecutive weeks, fourteen (14) days between the end of school in the spring and the first day of school in the Fall. No class could be offered which could circumvent the rule. There are no exceptions to the summer dead period. During the dead period, NO weight lifting would be permitted. No running or other type of conditioning would be allowed. No coordinated workouts by ANY staff or volunteer member associated with the school are allowed.

Special nationally recognized programs in various sports that require a national or regional

[Type here]

championship format, such as Bobby Sox Softball, American Legion or Mickey Mantle Baseball, Junior Olympics, etc., would be allowed to continue, until completion, during the dead period.

Athletes in any sport that includes an NFHS and CIF approved college recruiting tournament for competition amongst scholastic based teams during the summer would be allowed to compete during the sanctioned dates of the event only if the tournament takes place during the schools chosen dead period. Participation in an approved college-recruiting tournament does not eliminate the requirement for the athletes to observe the required 14-day dead period.

Question – What are the current NFHS and CIF approved college recruiting tournaments that take place during the summer?

Answer – Cali Live and Section 7 Basketball Tournaments.

Rule Change:

Rule Number Affected: Article 120, Bylaw 1200.1

Implementation Date: 27-28 School Year

Abstract: (Please add any supporting documents.)

Rationale – On average, each member school has between 60 and 80 student-athletes participating in boys' and girls' lacrosse. Under the current language of CIF Southern Section Article 120, Bylaw 1200.1, which requires a sport to maintain participation by at least 20% of member schools, approximately 14,700 student-athletes could lose the opportunity to compete in a CIF-sanctioned postseason championship should participation fall below that threshold. Rather than immediately eliminating CIF-sanctioned playoffs, the CIF Southern Section should place any sport that falls below the 20% membership requirement on a three-year probationary period, providing an opportunity for the sport to rebuild participation and return to compliance before postseason competition is discontinued.

Article 120 – APPROVED SPORTS

Bylaw 1200 – CIF-APPROVED SPORTS

Proposed language:

- 1200.1 ~~No playoffs will be conducted by the CIF Southern Section Office in an approved sport when less than 20% of the membership field teams in that sport.~~ Any CIF Southern Section approved sport in which participation falls below 20% of the CIF Southern Section membership shall be placed on probation for a period of three years. CIF Southern Section postseason competition shall continue to be conducted during the probationary period. If participation in the sport does not meet the 20% membership requirement by the conclusion of the three-year probationary period, CIF Southern Section postseason competition in that sport shall be discontinued. Type: Bylaw Amendment

Next: Action Item at October 9, 2026 Federated Council meeting.

Proposal Summary: The Commissioners Committee is proposing to implement a statewide policy to standardize the responsibilities for all schools to ensure that all spectators and unauthorized individuals do not enter the field of play at CIF contests.

Fiscal Impact: None

Background: Acceptable standards of sportsmanship for athletes, coaches, and spectators have become an issue nationwide. This policy would align all ten (10) CIF Sections and establish uniformity in the expectations of schools to ensure that spectators and unauthorized individuals do not enter the field of play during CIF contests. This proposal strengthens Bylaw 503.M. by establishing uniform sportsmanship expectations across all Sections of the CIF, ensuring consistent enforcement statewide. By clearly prohibiting spectators and unauthorized individuals from entering the field of play, the policy prioritizes student-athlete safety and reduces liability risks for host schools. Standardized expectations support officials, administrators, and coaches in maintaining orderly, education-based athletic environments. Adoption of this language reinforces our collective commitment to safety, fairness, and integrity in interscholastic competition.

This Bylaw amendment will be for immediate implementation upon approval of the Federated Council.

STATE 693

M. **Statewide Sportsmanship and Ejection Policy**

Player:

A player who is ejected from a contest (for reasons other than fighting or leaving the bench area during a fight) shall be ineligible to participate in the remainder of that contest (event) and his or her team's future contest (s) as outlined below:

- (1) First Ejection: Player is ineligible to participate in the team's next contest. Player may remain on the bench for the duration of that contest and may be on the bench in street clothes for the team's next contest. Player may remain on the bench for the duration of that contest and may be on the bench in street clothes for the team's next three (3) contests. If the player is a senior, he or she would be ineligible for the number of contests remaining on the suspension for their next season of sport.
- (3) Third Ejection: Player is ineligible to participate for the remainder of that season. Player may remain on the bench for the duration of that contest and may be on the bench in street clothes for the team's remaining contest that season. If there are six (6) or fewer contests remaining in the season, the player would be ineligible for up to six (6) contests for the team's following season as determined by the CIF Section Commissioner with jurisdiction in the matter. If the player is a senior, he or she would be ineligible for up to six (6) contests for their next season of sport as determined by the CIF Section Commissioner with jurisdiction in the matter.

Before a player may return to participate in a contest following a multiple game suspension for any of the above infractions, the school principal must inform the CIF Section Commissioner with jurisdiction in the matter that they have met with the student-athlete, his or her parent/guardian/caregiver and coach to discuss future behavioral expectations.

Appeals Process for Multi-Game Ejections:

The school principal may appeal the penalties listed above in writing to the League Commissioner/President (for a regular season contest not including the final contest prior to Section playoffs) or CIF Section Commissioner with jurisdiction in the matter (for the final contest prior to Section playoffs and all playoff contests). The appeal must be received by the Section with 48 hours of the date of the ejection. Reasons for the appeal may only include misidentification of the ejected player or a misapplication of the rule. There will be no appeal regarding the judgment of an official.

Note: There is no appeal process for single game ejections.

Coach:

A coach who is ejected from a contest (for reasons other than fighting) shall be disqualified from participating in the remainder of that contest and his or her team's future contest (s) as outlined below:

- (6) First Ejection: Coach is disqualified from participating in the team's next contest. Coach must immediately vacate the playing area and the vicinity in and around the contest and refrain from having any communication with the team or other coaches for the remainder of that contest and for the team's next contest. There will be no appeal regarding the judgment of an official.

Note: There is no appeal process for single-game ejections.

Spectator:

- (10) If a spectator is ejected from a contest, it is the responsibility of the school to ensure that person does not attend that team's next contest. If the same spectator is ejected a second time, it is the responsibility of the school to ensure that person does not attend any of the remaining contests for that season.
- (11) At all CIF events, schools are responsible for ensuring that spectators and unauthorized individuals do not enter the field of play during or following a contest. This includes, but is not limited to, court storming. Schools that violate this policy may be subject to sanctions, as determined by the CIF office with jurisdiction over the matter. This policy is enforced to protect the safety and well-being of student-athletes, spectators, officials, and event personnel, which remains our highest priority. It also reinforces respect for the game, the integrity of competition, and the core principles of the CIF "Pursuing Victory with Honor" sportsmanship program. Ultimately, the focus should remain on the

competitors and their efforts, allowing their achievements to be recognized and honored without disruption.

Rule Change:

Rule Number Affected: Article 3514 – Number of Team Entries into Playoffs

Implementation Date: 2026-27 Football Season

Abstract: (Please add any supporting documents.)

The Citrus Belt League proposes revising Article 3514 – Number of Team Entries into Playoffs so that 11-person football playoff entries follow the same structure currently used by other CIF Southern Section team sports.

Under the current structure, 11-person football playoff entries do not align with the standard entry formula used by other sports within the CIF Southern Section. This proposal would create consistency across sports by applying the same league-size entry model in all team sports.

Proposed language:

Leagues would receive automatic playoff entries based on the number of schools in the league as follows:

- Leagues of 4 schools – 2 entries
- Leagues of 5–6 schools – 3 entries
- Leagues of 7–8 schools – 4 entries
- Leagues of 9 or more schools – 5 entries

This change would align 11-person football with the playoff qualification structure used in other CIF Southern Section sports and provide consistency for leagues and member schools across all programs.

Council First Read: April 2026

Council Action Date: October 2026

Date Proposal will take effect on member schools: 2026-27 School Year

Financial Impact on Member School and Southern Section (Attach an analysis and supporting documents):

This proposal is not expected to have a significant financial impact on member schools, leagues, or the CIF Southern Section. The proposal aligns football playoff entry allocations with the existing structure used by other CIF Southern Section sports and does not require additional administrative procedures or resources.

3514. NUMBER OF TEAM ENTRIES INTO PLAYOFFS

In the sport of 11-person football, the team entry formula for each league into the playoffs is as follows:

4 and 5 team leagues = 2 entries
6-8 team leagues = 3 entries
9 or more team leagues = 4 entries

In the sport of 8-person football, only league champions will be guaranteed automatic entries into the playoffs.

In all sports other than 8 person football, the team entry formula for each league into the playoffs is as follows:

4 team leagues = 2 entries
5 and 6 team leagues = 3 entries
7 and 8 team leagues = 4 entries
9 or more team league = 5 entries

- 3514.1 In all team sports other than wrestling and football (For information regarding at-large entries for Football, see the Football Playoff Bulletin), additional entries beyond a league's guaranteed number of entries will only be permitted to enter the playoffs to fill any byes which exist in the opening round. At-large teams, teams meeting the at-large criteria (.500 or better overall record), can only be accepted into the playoffs if there are openings in the original draw after all of the league's guaranteed entries are submitted. (For example, when there are 30 teams entered as guaranteed entries from their leagues into a 32-team draw, there would be 2 byes in the bracket and those byes could be filled by teams who were not guaranteed entries from there.)
